

GLOBAL IMPACT LANGUAGE LEARNING RESOURCES

In Preparation for your Global Impact trip this summer, many participants sign up for a language class in Swahili, Spanish or Vietnamese through a local college extension program. Others often purchase software to familiarize themselves with the sounds of the language and to begin to learn basic phrases.

Below are a few resources to purchase—or check with your local library.

Free Language Software: includes Vietnamese, Spanish www.byki.com/fls/

VIETNAMESE LANGUAGE RESOURCES

[40-Minute Vietnamese](#) (available through LearnOutLoud.com)
