

Global Impact Scholarship Application 2019:
Deadline April 1, 2019

Scholarships typically range from \$250-\$1,500. Scholarships are applied directly toward your program fee and will not be applied to application fees/deposits. In selecting recipients, the Committee considers the academic, personal, and, in some cases, technical qualifications of each applicant. Please note that funds are limited and we are unable to award a scholarship to every applicant.

If you cancel your participation in the Global Impact program or the program is canceled for some reason, you will not receive your scholarship amount in a refund.
