

What Kind of **Education** Do **You** Want?

Seattle Colleges Offer Many Paths to Success

- 5 **1 | COLLEGE TRANSFER**
Take courses or earn a two-year A.A. or A.S. degree and transfer to a four-year university.
- 13 **2 | PROFESSIONAL & TECHNICAL PROGRAMS**
Choose from more than 135 short-term, one- or two-year degree or certificate programs in many professional technical fields.
- 18 **3 | BACHELOR DEGREES**
Earn a Bachelor of Applied Science (B.A.S.) degree in several different fields.
- 20 **4 | CONTINUING AND CONTRACT EDUCATION**
 - **Lifelong Learning:** Find hundreds of diverse, non-credit courses for personal or professional growth.
 - **Corporate or Contract Training:** Business and industry create individualized contract instruction for employees.
- 21 **5 | BRIDGE TO COLLEGE / PRE-COLLEGE /
CONCURRENT PROGRAMS**
 - **Adult Education:** Improve your English, math or reading skills or prepare for future college-level work.
 - **Get your GED or complete High School:** Non-native speakers study English as a Second Language.
 - **Concurrent High School/College Programs:** Enroll in Running Start, Bright Futures
- 25 **6 | eLearning / DISTANCE EDUCATION**
Fit your time and location with online, hybrid or video courses.
- 27 **7 | INTERNATIONAL PROGRAMS**
International students study ESL, Intensive English, or pursue career or college transfer courses. Local students study, volunteer or do internships abroad.
- 29 **8 | WORKER RETRAINING PROGRAM**
Explore opportunities for laid-off or displaced workers to get training for new high-demand jobs.

GETTING STARTED See page 30 for enrollment and financial aid information.

Seattle Colleges

Mission

The Seattle Colleges will provide excellent, accessible educational opportunities to prepare our students for a challenging future.

Vision

The Seattle Colleges will be learning-centered

- in providing high-quality and innovative education
- in preparing our students for success and lifelong learning

Values

We value

- teaching and learning
- students
- diversity
- partnerships

ACCREDITATION

The Seattle Colleges include North Seattle College, South Seattle College, and Seattle Central College. Seattle Vocational Institute is accredited jointly with Seattle Central College. Each college is a state-supported public institution individually accredited by the Northwest Commission on Colleges and Universities (NWCCU), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

Accreditation of an institution of higher education by the NWCCU indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate education programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the NWCCU is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding an institution's accredited status by NWCCU should be directed to the administrative staff of the individual institution. Individuals may also contact: NWCCU, 8060 165th Avenue NE, Suite 100, Redmond, WA 98052 – (425) 558-4224 – or www.nwccu.org.

LEARNING COMMUNITIES/ INTEGRATED STUDIES at the Seattle Colleges

The three Seattle Colleges offer students opportunities to study in learning communities, also called integrated studies, through a variety of approaches that link or cluster classes, often around a theme. A major objective of learning communities is to help students discover the interdisciplinary and integrative nature of knowledge by experiencing several different perspectives. Students learn how to collaborate in problem-solving groups, experience the importance of writing in the learning process, and develop independent and critical thinking skills through seminars, exploring books, small group work and visual media. Examples of learning communities are Coordinated Studies courses and linked courses.

Coordinated Studies

An alternative to the traditional individual course model, Coordinated Studies courses integrate two or more disciplines into one team-taught course in which students meet for longer periods during the week and earn 8-10 or more credits. Although students receive credit for standard Seattle College courses such as ENGL& 101 (English Composition I), ANTH 201 (Contemporary Issues in Anthropology), or GEOL 108 (Minerals, Gems and Fossils), they concentrate on exploring a theme, problem or question, such as “Escaping the Matrix: Discourse of Power,” “Ways of Knowing: How We Choose What to Believe,” “Inheriting the Future,” “Insatiable Appetites: Food, Culture and Power” or “Minerals and Metal Arts.”

Linked Courses

In linked courses, students choose from a list of designated paired classes whose content is coordinated by the instructors through common assignments. Students need to register for both “linked” classes. While not as intensive as the Coordinated Studies model, linked courses also provide integrated learning.

COMMON COURSE NUMBERING and “&” Courses

seattlecolleges.edu/district/catalog/ccn.aspx

As of Summer Quarter 2008, all Washington state community and technical colleges are using a Common Course Numbering (CCN) system. The system identifies courses that are equivalent at community colleges throughout the state to make it easier for students who may transfer between two-year colleges. Some course numbers, prefixes and titles have been changed to comply with these new standards. The courses with an ampersand “&” after the prefix code are part of the Common Course Numbering system. However, courses without an “&” will continue to transfer between two-year and four-year colleges under individual Direct Transfer Agreements, as in the past.

GENERAL EDUCATION at the Seattle Colleges

Definition

General Education is college-level work that introduces students to the content and methods of major areas of knowledge including humanities and fine arts, the natural sciences, mathematics, and the social sciences. General Education emphasizes the following outcomes:

- Attitudes necessary to function as a citizen and lifelong learner
- Intellectual skills required for college level inquiry and competence
- Knowledge and awareness of the complex world in which we live

Rationale

The purpose of General Education is to provide educational depth and breadth through development of essential skills in reading and writing, research and information literacy, critical thinking, problem-solving, understanding individuals and cultures, creative expression, and quantitative and scientific reasoning. These transferable skills support students as they continue in higher education, move forward in careers, and continue the process of lifelong learning.

Learning Outcomes

Each college has developed learning outcomes and specific degree requirements to support these General Education goals.

1 | College Transfer

The College Transfer program offers courses in a wide range of academic fields common to undergraduate study in colleges and universities. These courses meet requirements for associates' degrees and will transfer to four-year institutions within guidelines established by those schools. The courses and programs offered are designed to enable the student to make a successful transition to a baccalaureate (four-year) institution.

Students who plan to transfer to a specific college or university should work with a transfer advisor, and also request information from the baccalaureate institution(s) they want to attend.

ASSOCIATE OF ARTS (A.A. – DTA) Degree

The Associate of Arts (A.A.) degree DTA (Direct Transfer Agreement) is a 90-credit transfer degree that fulfills the general education requirements for most four-year degrees in arts and sciences. To earn the A.A. degree, students must achieve a cumulative grade point average of 2.0 or better in courses numbered 100 and above, complete at least 15 credits at the Seattle College awarding the degree, and meet the requirements outlined below.

Students should contact college advising offices for listings of courses that satisfy degree requirements. Students planning to transfer to a four-year institution should be aware that they must complete all admission requirements for their destination institution. In addition, students are encouraged to give early consideration to possible majors and obtain information about requirements for these majors at their destination college or university.

A.A. Degree Learning Outcomes

The Seattle Colleges A.A. degree is designed to fulfill a set of seven desired learning outcomes for the general education of a college undergraduate in the United States in the 21st century. Students completing the Associate of Arts degree should:

1. Have college-level knowledge and skills in critical thinking, quantitative analysis, and written composition
2. Have college-level mastery of information literacy and technology literacy
3. Have effective skills for in-person and media-based interactions with individuals and within groups
4. Understand methods and modes of inquiry specific to traditional and contemporary areas of knowledge in the humanities and arts, natural and physical sciences, mathematics, and the social sciences
5. Understand the interdisciplinary nature of knowledge
6. Understand the United States as a multicultural society

TRANSFER DEGREES Summary

C-Central N-North S-South

DTA – Direct Transfer Agreement

Associate of Arts (A.A. – DTA) C,N,S
Two-year degree designed to transfer to a baccalaureate college or university.

Associate in Business (A.B. – DTA) C,N,S
Two-year degree designed to transfer to a baccalaureate (four-year) college or university.

Associate of Science – Transfer Degree (A.S.) C,N,S
Two-year degree designed to transfer to a four-year college or university in two major areas of science.

Option 1 biological sciences, environmental/resource sciences, chemistry, geology & earth sciences

Option 2 engineering, computer science, physics & atmospheric science

Associate of Science (A.S.) C,N,S
Two-year degree designed to transfer to a four-year college or university.

Associate in Fine Arts (A.F.A.) N

Associate of Applied Science (A.A.S. and A.A.S.-T) Degrees C,N,S

7. Understand the global society and processes of globalization from mostly, but not exclusively, non-Western and indigenous perspectives.

See pages 7-9 for detailed A.A. Degree Requirements at the Seattle Colleges.

Associate of Arts or Sciences: Special Emphasis Areas

Students planning to transfer to a baccalaureate (four-year) institution and pursue a specific field of study should work closely with their advisor to plan their A.A. or A.S. degrees. In addition to the A.A. or A.S. degree, special courses of study have been designed for the following areas of emphasis at the Seattle Colleges.

■ ASIAN PACIFIC ISLANDER STUDIES – SOUTH

This interdisciplinary transfer degree program examines history and contemporary issues affecting Asians, Asian Americans and Pacific Islanders. Asian Pacific Islander Studies students can transfer to a four-year institution offering programs and degrees in a number of fields, including American/Comparative Ethnic Studies or Asian Studies. Degree requirements for this degree differ from the general A.A. Degree requirements. Contact South Advising Office for details.

- **DEAF STUDIES – CENTRAL**

The Deaf Studies emphasis offers two years of intensive study in American Sign Language and Deaf culture, providing a cultural and communication foundation about deafness and deaf culture. It is designed for students who plan to work in agencies which provide services for the deaf and hard of hearing; for students seeking further degrees in fields such as education, social work, counseling or linguistics; and for those seeking enhanced communication and relationships with Deaf relatives, co-workers, friends and consumers. Contact Central Advising Office for further information.

- **GLOBAL HEALTH – CENTRAL**

The Global Health emphasis can be completed within either the A.A. or A.S. transfer degrees and places a priority on improving health and achieving health equity. The focus is on worldwide health access and improvement, reduction of disparities, and protection against global health challenges. It prepares students to work with diverse populations, provide international service and understand the nuances of global healthcare. Contact Central Advising Office for further information.

- **GLOBAL STUDIES – CENTRAL**

This emphasis can be completed within either the A.A. or A.S. transfer degrees and integrates the study of politics, economics and the arts with the analyses of cultural practices, beliefs and social systems. Students learn to appreciate and understand world cultures, focus on themes of global significance and develop an interdisciplinary approach to International issues. Contact Central Advising Office for further information.

- **SUSTAINABLE AGRICULTURE (SagE) – CENTRAL**

This innovative emphasis offers interdisciplinary courses, hands-on service learning and internship opportunities in the emerging field of urban agriculture. The emphasis provides a foundation of knowledge and skills for students interested in pursuing related education at four-year institutions or entering the green workforce. For details, contact Central Advising Office or visit seattlecentral.edu/learn/sage.

ASSOCIATE IN BUSINESS (A.B. – DTA) Degree

Central, North, South

The Associate in Business Degree is designed to satisfy lower division general education and business requirements at Washington's public four-year colleges and universities.

ASSOCIATE OF SCIENCE TRANSFER (A.S.) Degree

The Associate of Science (A.S.) is a transfer degree for students who wish to transfer as juniors to baccalaureate institutions in the state of Washington.

Degree requirements include satisfactory completion of at least 90 approved credits with a 2.0 cumulative GPA; however, certain transfer institutions may require a GPA higher than 2.0. At least 15 credits in college-level courses (100 or above) must be earned at the Seattle College granting the degree.

Two different study options are offered:

1. biological sciences, environmental/resources sciences, chemistry, geology and earth sciences
2. engineering, computer science, physics and atmospheric science

Students should contact an advisor for specific program requirements.

ASSOCIATE OF SCIENCE (A.S.) Degree

The Associate of Science (A.S. – DTA) is a transfer degree. However, there are certain major areas of study in which the student may not be able to take all the courses necessary to transfer with junior standing in his/her major. Contact an advisor for more information on this degree program. For specific courses leading to a premajor in a number of science fields, refer to the College Transfer section for each college.

Degree requirements include satisfactory completion of at least 90 approved credits with a 2.0 cumulative GPA; however, certain transfer institutions may require a GPA higher than 2.0. At least 15 credits in college-level courses (100 or above) must be earned at the Seattle College granting the degree.

ASSOCIATE OF FINE ARTS (A.F.A.) Degree

North Seattle College offers an Associate of Fine Arts (A.F.A.) degree. This degree requires at least two years of study and includes many of the A.A. degree requirements as well as specific requirements in art. While the A.F.A. degree prepares students to transfer to four-year institutions, the only college to which an A.F.A. recipient can currently transfer with junior standing is The Evergreen State College.

See North, page 91.

COLLEGE TRANSFER A.A. Degree Requirements

Basic Requirements	15 credits
Electives	30 credits
Areas of Knowledge Distribution Requirements	45 credits

A.A. DEGREE TOTAL 90 CREDITS

Special Requirements included within the 90-credit total

Within the 90 credits required for the A.A. degree, students must complete special requirements in Integrated Studies, Communication, U.S. Culture and Global Studies, as listed below. Students should consult their college advising office for a current listing of these courses. Specially designated courses that satisfy these requirements differ by college. Special designation credit for courses taken at one of the Seattle Colleges will transfer to other colleges in the district.

- At least 8 credits of Integrated Studies. (This requirement may be met through specially designated individual courses, linked courses, or coordinated studies programs.)
- At least one course in Communication.
- At least one course in U.S. Cultures.
- At least one course in Global Studies.

BASIC REQUIREMENTS 15 CREDITS

English &101 and &102	10 credits
Quantitative/Symbolic Reasoning	5 credits

Students completing the QSR requirement will be able to use quantitative or symbolic reasoning to understand, analyze, interpret and solve problems. Successful completion of any of the following classes satisfies the QSR requirement for Seattle Colleges. These courses may also satisfy the QSR requirement at baccalaureate institutions. Students should check the requirements of their destination institution.

- MATH &107*, 109, 116, 120**, &131**, &132**, 136†, &141, &142, &146, &148, &151, &152, &163, 220, 224, 238, 239

(* If using MATH &107 to meet both the IA proficiency requirement and the QSR requirement, students must earn a minimum 2.0 grade in the course.)

(** MATH 120, &131 and &132 do not meet the QSR requirement at University of Washington.)

(† MATH 136 fulfills the QSR requirement until the end of Fall Quarter 2015.)

- PHIL &120

ELECTIVES 30 CREDITS

Electives include -

- All college transfer courses numbered 100 or above
- Accounting, business administration and transfer engineering classes
- Physical education activity courses (3 credit maximum)
- A maximum of 15 credits from a combination of the following:
 - Workforce Education Professional Technical courses numbered 100 and above
 - Human Development courses (HDC) numbered 100 and above (6-credit maximum)
 - Library research courses (6-credit maximum)
 - Cooperative Work Experience (CWE) courses numbered 100 and above (5-credit maximum)

College Transfer A.A. Degree Requirements (continued)

AREAS OF KNOWLEDGE DISTRIBUTION REQUIREMENTS

45 CREDITS

This listing may change. Students should confer with their college advising office for the most current information.

VISUAL, LITERARY, AND PERFORMING ARTS (Humanities and Arts)

15 CREDITS

Choices must include a minimum of two different course prefixes, and no more than 5 credits each of a world language at the 100 level and a studio/performance class (*asterisked below) may be applied to the distribution requirements.

WASHINGTON 45

First Year Transfer Courses

The “Washington 45” is a list of courses offered in the community and technical college system that satisfy general education core requirements at the state’s public universities and most of its private universities. It was developed at the direction of the 2011 Washington State Legislature, which passed a bill requiring community and technical colleges to work with four-year institutions of higher education on the list. However, the “Washington 45” does not replace any transfer degree or articulation agreement between your college and universities. For more information contact your campus advisor or the four-year institution where you are planning to transfer.

TRANSFER POLICY and PROCESSES

Transfer Assistance

Transfer services and information are available at all three Seattle Colleges through the campus Advising/Transfer Centers. During their first few quarters of study at the Seattle Colleges, students are encouraged to explore the various options for majors at four-year institutions and to become knowledgeable about admissions and graduation requirements for any majors they are considering.

Representatives from local four-year institutions visit all three Seattle Colleges campuses on a regular basis to provide information regarding admissions deadlines and transfer requirements.

Students are responsible for becoming knowledgeable about the admissions and graduation requirements of the four-year institution they plan to attend.

Reciprocity Agreement

Washington community and technical colleges offer reciprocity to students transferring within the state’s community and technical college system who are pursuing A.A., A.B., A.S. or A.S.–T degrees. Students who complete an individual course that meets distribution degree requirements or fulfills entire areas of their degree requirements at one college will be considered to have met those same requirements if they plan to complete the same degree when they transfer to another community or technical college in Washington. These degree requirements include Communication Skills, Quantitative Skills, or one or more Distribution Area requirements. Students must initiate the review process and must be prepared to provide necessary documentation. For complete information, students should contact the Registrar’s Office at each college.

See “Common Course Numbering” on page 4.

Transfer of Credits to Baccalaureate Institutions

Students who plan to transfer to a four-year college or university are advised to give careful consideration to the following information:

1. Students transferring to a four-year institution may apply a maximum of 90 (quarter) transferable community college credits to a baccalaureate degree. More credits may transfer at the discretion of the receiving institution.
2. It is possible to transfer with fewer than 90 credits, but special requirements may be imposed.
3. Students who plan to graduate with the A.A. or A.S. degree should make sure they have also met the admission requirements for the transfer institution. Completion of the A.A. degree alone may not necessarily fulfill admission requirements at some four-year institutions.
4. Transferable courses are numbered 100 and above, but not all courses so numbered are transferable. Receiving institutions determine which credits transfer into the college. Students planning to transfer should plan as early as possible, contacting those institutions to which they plan to transfer.
5. Unless a transfer agreement with the Seattle Colleges is in effect, the four-year school may impose additional general education requirements.
6. Graduation requirements for the bachelor’s degree are established by the four-year institution. Students at the college should choose courses according to graduation requirements of their chosen college or university. Students planning to transfer should plan as early as possible in their college programs using the following guide:
 - Consult a current catalog of the chosen school to determine entrance requirements and suggested freshman and sophomore programs in the major field of interest.
 - Confer with a college advisor about fulfilling these requirements.
 - Confer with an admissions officer at the baccalaureate institution regarding further curriculum and transfer regulations.
 - Check carefully a quarter or two before transfer to be sure all requirements will be met to the satisfaction of the four-year institution.

Transfer Rights & Responsibilities

Source: Higher Education Coordinating Board
www.hecb.wa.gov

Student Rights and Responsibilities

1. Students have the right to clear, accurate, and current information about their transfer admission requirements, transfer admission deadlines, degree requirements, and transfer policies that include course equivalencies.
2. Transfer and freshman-entry students have the right to expect comparable standards for regular admission to programs and comparable program requirements.
3. Students have the right to seek clarification regarding their transfer evaluation and may request the reconsideration of any aspect of that evaluation. In response, the college will follow established practices and processes for reviewing its transfer credit decisions.
4. Students who encounter other transfer difficulties have the right to seek resolution. Each institution will have a defined process for resolution that is published and readily available to students.
5. Students have the responsibility to complete all materials required for admission and to submit the application on or before the published deadlines.
6. Students have the responsibility to plan their courses of study by referring to the specific published degree requirements of the college or academic program in which they intend to earn a bachelor's degree.
7. When a student changes a major or degree program, the student assumes full responsibility for meeting the new requirements.
8. Students who complete the general education requirements at any public four-year institution of higher education in Washington, when admitted to another public four-year institution, will have met the lower division general education requirements of the institution to which they transfer.

College and University Rights and Responsibilities

1. Colleges and universities have the right and authority to determine program requirements and course offerings in accordance with their institutional missions.
2. Colleges and universities have the responsibility to communicate and publish their requirements and course offerings to students and the public, including information about student transfer rights and responsibilities.
3. Colleges and universities have the responsibility to communicate their admission and transfer-related decisions to students in writing (electronic or paper).

Transfer Agreements

Direct Transfer Agreements with Baccalaureate Institutions

The baccalaureate (four-year) colleges and universities in Washington state listed below subscribe to the Intercollege Relations Commissions (ICRC) Guidelines for direct transfer agreement (DTA). The Seattle Colleges offer both Associate of Arts and Associate of Science DTA degrees that meet ICRC Guidelines. The DTA associate degrees are recognized as fulfilling most, if not all, of the general education requirements for these institutions. Students who complete a DTA will normally be granted junior standing upon admission. Students should check with their intended transfer institution for further details regarding any additional general education, major prerequisites and admission requirements. This list is subject to change. See your advisor for updated information and details of transfer.

2 | Professional & Technical Programs

DEGREES and CERTIFICATES

C-Central N-North S-South V-SVI

Certificates C,N,S,V

More than 135 professional technical programs

Associate of Applied Science Degree (A.A.S.) C,N,S

Preparation and qualification for employment

Associate of Applied Science – T Degree (A.A.S.-T) C,N,S

Two-year degree in specific professional technical programs for transfer to specific four-year institutions or to some B.A.S. degree programs at Seattle Colleges.

Bachelor of Applied Science (B.A.S.) Degree C,N,S

Bachelor of Applied Science degrees are offered in several fields.

See pages 18-19.

The Seattle Colleges offer more than 135 workforce education and training programs. These programs offer certificates and/or degrees, and vary from 1 to 7 quarters in length. They are designed to prepare students for specific careers. Several professional technical programs also offer short-term training certificates; in some programs students may build skills and add certificates over time to progress in their fields. Contact the program office for further information.

ASSOCIATE OF APPLIED SCIENCE (A.A.S.) Degree

The Associate of Applied Science (A.A.S.) degree prepares students to compete for employment through development of technical and related skills and instruction in academic subjects appropriate to the occupational field.

To earn a degree within the Seattle Colleges, a student must complete at least 90 credits and have a minimum cumulative grade point average of 2.0. At least 15 credits must be earned at the Seattle College granting the degree. Students should consult an advisor or division counselor for specific GPA requirements in their programs of study.

Programs are designed and updated by advisory committees, made up of local industry leaders and labor representatives, to reflect current employment trends. Instructors bring industry experience as well as education and training to the classroom. All full-time instructors hold vocational instructor certificates and stay informed of industry changes.

A core of general education and/or related instruction courses is regarded as essential for all A.A.S. degree programs and all certificate programs of an academic year or more in length. College-level courses (100 and above) in communications, computation, human relations and selected courses from humanities, natural sciences and social sciences are required. Additional topics may include safety and environmental awareness.

Some A.A.S. programs and some courses in A.A.S. degree programs may transfer to four-year colleges or universities. Consult a program advisor or transfer institution concerning course transferability prior to enrollment.

ASSOCIATE OF APPLIED SCIENCE-T (A.A.S.-T) Degree

The Associate of Applied Science–T degree is designed to assist students who initially enrolled for a professional technical degree and who then seek to transfer to a four-year institution for a bachelor's degree. Degree requirements include satisfactory completion of at least 90 approved credits with a 2.0 cumulative GPA. At least 15 credits in college-level courses (100 or above) must be earned at the Seattle College granting the degree. The A.A.S.-T degree is based on technical courses required for job preparation but also includes transfer degree general education courses. In general, technical degree programs are not designed for general transfer to other colleges or universities; the A.A.S.-T degree prepares students for specific bachelor's degree programs at specific institutions. Students should contact the appropriate college division dean or Advising Office for a current list of baccalaureate institutions accepting the A.A.S.-T degree.

BACHELOR OF APPLIED SCIENCE (B.A.S.) Degrees

Please see pages 18-19.

CERTIFICATE Programs

Certificate programs of 2 – 7 quarters in length prepare graduates for employment in a wide variety of professional and technical careers. Requirements include satisfactory completion of an approved program of study with a minimum 2.0 cumulative grade point average. For admission to a certificate program, an applicant must be at least 18 or be a high school graduate.

Tests and a minimum proficiency may be required for certain programs. Waiting lists and application fees may be required of others. Education and work experience may be accepted to satisfy part of the certificate requirements if specifically related to the individual program of study.

Credits earned in certificate programs are generally applicable toward the A.A.S. degree.

NOTE: Courses must be numbered 100 or above to count toward certificate programs.

SHORT-TERM and STACKABLE Certificates

www.seattlecolleges.edu/shortcertificates

Some programs offer short-term certificates (fewer than 20 credits) which address entry-level job preparation or a specific skill set leading to employment or increased skills for the workplace. Some of these short-term certificates are considered “stackable.” Designed specifically to build, or “stack” sequential skills and credits. On completion of each certificate students can return to the workplace with added skills or they can continue taking courses which build additional skills at the next level in the stackable certificate series.

RELATED INSTRUCTION for Certificates and Degrees

Definition

Each Professional Technical certificate or degree of 45 credits or more includes Related Instruction, the non-technical portion of study providing instruction in the areas of communication, computation, and human relations.

Rationale

The purpose of Related Instruction is to provide educational depth and breadth through development of essential skills in reading and writing, research and information literacy, in-person and media-based communication, critical thinking, problem-solving, understanding individuals and cultures, and quantitative or symbolic reasoning. These

transferable skills support students as they continue in higher education, move forward in careers, and continue the process of lifelong learning.

Certificates of 45 credits or more

Related Instruction may be taught as embedded content (33 hours in each area) or as separate courses aligned with program outcomes.

Associate of Applied Science Degree

A.A.S. students will complete classes in Related Instruction college-level courses, including classes in communication, computation, and human relations. Individual programs identify courses which fulfill these requirements.

PROFESSIONAL TECHNICAL Programs

Degrees and certificates of 20 or more credits (2–7 quarters in length) are offered in the professional and technical career areas listed below, and several areas also offer Bachelor of Applied Science degrees. For the most current list please visit seattlecolleges.edu/district/catalog/ccprotech.aspx.

SHORT TERM Certificates

seattlecolleges.edu/shortcertificates

Short Term Certificates have fewer than 20 credits. They usually cover an entry-level or specific skill set needed for that industry. Students can complete a short-term certificate and enter/re-enter the workplace with improved skills. They may also continue on a pathway to a higher certificate or degree, and some or all of the credits from the short-term certificate may apply to the next level certificate or degree.

STACKABLE Certificates

www.seattlecolleges.edu/shortcertificates

Among these short-term certificates are some that are considered “stackable” certificates. Stackable Certificates are short-term certificates of fewer than 20 credits each, which are specifically designed to build, or “stack” sequential skills and credits. On completion of each certificate, students can return to the workplace with added skills or they can continue building additional skills at the next level in the stackable series of certificates. Taken together, stackable certificates lead to a sequence of increasing skills, potential job advancement and/or cumulative credits toward a higher certificate or degree.

For example, in Wood Technology, students can take 18-credit certificates independently in Carpentry, Finishing and/or Framing Fundamentals. These skills can lead to jobs, or students can accumulate the skills, which can lead to more job skills, further certificates or an A.A.S.-T degree. In Welding, there are six levels of skill. Each new skill level can increase job potential for students who need to stop studies to work. On returning to school, students resume work at the next certificate level, accumulating skills which can lead to further certificates and/or an A.A.S. degree.

Contact the program for more information. New certificates are frequently added as industry needs change.

(Note: For programs with A.A.S. degrees and certificates of more than 20 credits, see the list on pages 14-16.)

3 | Bachelor Degrees

www.seattlecolleges.edu/bachelors

The Bachelor of Applied Science degrees (B.A.S.) build on associate degrees that provide workplace skills in specific career areas, such as Hospitality, IT or Business. When compared to traditional bachelor's degrees, applied baccalaureate degrees incorporate more applied, hands-on learning focused on a particular industry. They are designed with strong internship components, and often offer credit for prior learning and workplace experience. Tuition rates are different for upper division courses; see the rate chart on page 19.

The Seattle Colleges currently offer the following bachelor's degrees. See the individual college sections of this catalog for specific courses and sequences for each of these degrees.

More bachelor's degrees are in planning stages. Visit the website for up-to-date information and new degrees: seattlecolleges.edu/bachelors/.

ALLIED HEALTH – Central

(206) 934-4347

seattlecentral.edu/bachelors/allied-health

The Bachelor of Applied Science in Allied Health Sciences degree is designed for those students who have completed allied health occupational certificates, health-related professional licenses, and allied health associate degree programs. Graduates will help meet the growing demand for baccalaureate level allied health practitioners in the Seattle-King County area. Allied Health B.A.S. degree students select one of four allied health tracks:

- Dental Hygiene
- Respiratory Care
- Healthcare Services Management
- Community Health & Education

Each track provides advanced workforce skills and academic depth. Each track also has specific pre-requisites and entry schedules. Consult with the department and see an advisor for details.

See page 60 for detailed information.

APPLICATION DEVELOPMENT – North

northseattle.edu/bas-app-development

The Bachelor of Applied Science in Application Development at North provides an opportunity for students who already have Information Technology (IT) related degrees such as Associate of Applied Science (A.A.S.). The B.A.S. degree focuses on industry-relevant skills needed by software developers and programmers who develop, create, and modify general computer applications software, mobile applications, or specialized utility programs. Students learn to analyze user needs and develop software solutions and design or customize software. The emphasis is on solving real world application problems that meet customer needs.

See page 95 for detailed information.

APPLIED BEHAVIORAL SCIENCE – Central

(206) 934-3101

seattlecentral.edu/bachelors/abs

The Bachelor of Applied Science (B.A.S.) in Applied Behavioral Science at Seattle Central College offers a substantive, human services four-year degree for direct service practitioners. This program is designed for students with an Associate of Applied Science two-year degree in social and human services, child and family studies, interpreting services or a related degree. Applications are accepted for Fall and Winter quarter entry. A minimum 2.5 cumulative GPA is required for application; however, entry to the program is competitive.

See page 62 for detailed information.

HOSPITALITY MANAGEMENT – South

(206) 934-6783

southseattle.edu/bas/hospitality-management

The Bachelor of Applied Science (B.A.S.) in Hospitality Management at South Seattle College prepares those students who have completed a two-year technical degree or approved associate's degree with a broad set of competencies in the hospitality industry. Students take upper-division classes that explore various positions in the hospitality field which includes tourism, hotel operations, restaurant management, catering, cruise ships operations, casino operations and travel. This program is unique in its focus on providing applied management training in the hospitality industry.

See page 136 for detailed information.

INTERNATIONAL BUSINESS – North

(206) 934-7794
northseattle.edu/bas

The Bachelor of Applied Science (B.A.S.) in International Business at North Seattle College is a pathway for students who have completed a two-year technical degree or approved associate's degree to pursue a bachelor's degree. The program leverages existing business/accounting coursework and adds a combination of upper division courses in international business and hands-on learning experiences to prepare graduates to work in the international business industry. Students will complete a practicum as well as an internship, giving them important real world experience and cultural awareness.

See page 95 for more detailed information.

PROFESSIONAL TECHNICAL TEACHER EDUCATION – South

(206) 934-5375
southseattle.edu/bas/professional-technical-teacher-education

The Bachelor of Applied Science (B.A.S.) degree In Professional Technical Teacher Education (Teach Tech) at South Seattle College prepares students who have completed a two-year technical degree or approved associate degree and a minimum of two years related work experience for professional teaching positions at community and technical colleges. The upper-division coursework that focuses on the complexities of the adult learner, the role of community colleges in society, and issues of equity. Students will learn how to shift their focus from teaching purely for content mastery to student-centered learning and leadership.

See page 137 for detailed information.

SUSTAINABLE BUILDING SCIENCE TECHNOLOGY – South

(206) 934-5375
southseattle.edu/bas

The Bachelor of Applied Science (B.A.S.) degree in Sustainable Building Science Technology prepares students who have completed a two-year technical degree or approved associate degree for professional jobs managing the operations of high-tech buildings. Students enroll in upper-division classes that focus on building functions and project finance with the goal of making facilities more durable, sustainable, efficient, and economical. Graduates will be eligible for employment in diverse fields such as operations maintenance, capital programs and project management, strategic planning and portfolio management, and corporate real estate finance.

See page 137 for detailed information.

Class Schedules for Continuing Education

Each college Continuing Education Department publishes a class schedule available through the websites listed above.

COMMUNITY Education

Serving the community by offering a range of courses at reasonable cost, Community Education classes are mostly non-credit and non-graded. Most are taught by community members who are experts in their fields.

Classes include personal enrichment or professional development in areas as diverse as arts and crafts, computers, dance and exercise, food and wine, foreign languages, gardening, job hunting, financial planning and more. Many Continuing Education classes are available online as well.

Computer training classes are available for all skill levels in applications such as Word, Excel, Microsoft Office, computer languages, database software, web design, programming, networking and more.

Classes may range from one evening to a full quarter in length. Costs vary by class.

PROFESSIONAL Education

Financial Planning

South Seattle College is an affiliate of the College for Financial Planning, offering classes for those seeking to develop a career or study for national certification as a financial planner.

Short Term Certificates

Seattle Central offers a number of short-term certificate programs to help upgrade skills or prepare for a career change. Certificates are offered in AutoCAD, National Personal Trainer, Nutritional Therapy Program and Paralegal. For more information visit learnatcentral.org.

SENIOR ADULT Education

South Seattle offers classes and discussion groups designed for senior adults. Classes normally are held during the daytime, on campus or in senior or retirement centers.

Teacher TRAINING

(206) 934-3895

Seattle Central offers a non-credit Teaching English to Speakers of Other Languages (TESOL) Certificate and 26 courses for certified K-12 teachers to earn clock hours.

North offers teacher clock hours for most courses, including Continuing Ed courses.

South offers Career and Technical Education (CTE) Certification for business and industry professionals to become secondary school teachers.

Corporate & Customized CONTRACT TRAINING

Business and industry representatives can select from a growing range of management and employee training, certificate training programs and development services through corporate and customized contract training offered by all of the colleges. Courses may be held at the employer's site or at the Seattle Colleges. Continuing Education Units may be granted. Contact:

Central: Gabrielle Bachmeier, Director
Continuing Education
(206) 934-5449

North: Steve Miller, Executive Dean
Customized Training and Partnership Development
(206) 934-6075

South: Elsa Croonquist, Director
Corporate and Customized Training
Georgetown Campus
(206) 934-5857

At South's Georgetown Campus, the Puget Sound Industrial Excellence Center (PSIEC) also offers corporate and contract training programs in manufacturing, transportation, distribution, logistics and construction. New training programs focus on green jobs training, including energy conservation, energy auditing, building science, and environmental sustainability practices.

5 | Bridge to College / Pre-College

Basic studies courses provide instruction for those who want to improve their English, to improve basic verbal and math skills, to earn a high school diploma or GED in order to get better jobs, to continue their education and prepare for college-level work, or to enter college while still in high school. Each of the programs in this area is designed to meet a particular set of student needs..

BRIDGE TO COLLEGE Programs

- Developmental Education
- English as a Second Language (ESL) – Advanced Levels
- Concurrent High School / College Programs
- High School / College Preparation Programs

PRE-COLLEGE Programs

- Adult Basic Education
- ESL Beginning & Intermediate Levels
- GED® Preparation
- High School Completion

sviweb.sccd.ctc.edu/programs.htm

Bridge to College Programs:

DEVELOPMENTAL EDUCATION English, Mathematics and Human Development Courses

Many students entering college or returning after some time away from studies need additional work to prepare for college-level courses. For these students, the Seattle Colleges offer a series of courses in English, mathematics and human development. Placement in one or more of these courses is determined by performance on placement tests required for admission to the specific college program or courses. Courses in this category are those numbered below 100. They are described in the course description sections for English, mathematics and human development. For further information, contact the Basic and Transitional Studies program advisor.

ENGLISH AS A SECOND LANGUAGE Advanced Levels

Placement in advanced ESL classes (ESL 093-099) is done by standardized placement testing, often the ESL COMPASS Test. These courses prepare students for college-level work with increasing emphasis on note-taking, composition, oral presentation, and class discussion at high levels. Although these classes do not count as credit for college-level work, ESL 093-099 can be covered by financial aid. Tuition for these classes is the same as regular tuition.

For information on more basic ESL classes (levels 1-5), see page 23.

NOTE: International Students should take ESL classes through International Programs, page 28.

CONCURRENT High School/College Programs

These programs allow students to begin college studies while still in high school, obtaining credit for both high school and college courses.

Running Start

- Central (206) 934-3820
seattlecentral.edu/runstart
- North (206) 934-3682
northseattle.edu/running-start
- South (206) 934- 6478
southseattle.edu/runningstart

Running Start is a program that allows qualified high school juniors and seniors to register for college level courses while remaining enrolled at their local high school. Full to partial tuition is paid for by the state; students pay mandatory fees, buy their own books, and provide their own transportation. To qualify students must take a placement test and be ready for college level coursework. As a dual enrollment program, students receive both high school and college credit, thus accelerating their progress through the education system. Running Start is a good option for high school students who are ready to start college early.

For information about preparing for and taking placement tests: beforeyoutest.org

For more information about the Running Start program, contact the college or visit: sbctc.ctc.edu/college/s_runningstart.aspx

Bright Future

SVI
(206) 934-6304
sviweb.sccd.ctc.edu/p_bright.htm

The Bright Future Program is a Running Start-funded program serving students from all area high schools.

The Bright Future program gives students an opportunity to start their college courses early by allowing qualified high school students access to accredited programs at Seattle Vocational Institute (SVI). The program is designed to assist the participants in earning a high school diploma and a certificate of completion in one of SVI's professional technical programs. Students are eligible to enroll in the vocational programs of the Allied Health Division (Dental Assistant, Medical Administrative Specialist, Medical Assistant, Medical Front Office and Phlebotomy), Business Computers Division (Foundation Certificate Office Clerk), the Pre-Apprenticeship Construction Training program and the School of Cosmetology.

Coursework completed at SVI counts toward high school graduation requirements as well as professional/technical certification.

Bright Future students attend SVI tuition-free. Students are responsible for the cost of mandatory student fees, transportation, books, uniforms and supplies. Students eligible for free or reduced lunch at their high school are eligible for the fee waiver program. Financial assistance through BF Dollars for Scholars is available for students who qualify.

High School to College PREPARATION PROGRAMS

Career Link High School

South
(206) 934-6475
southseattle.edu/programs/career-link

Career Link at South Seattle College prepares students for success in college and their careers while they work toward earning a high school diploma. The program serves students between the ages of 16 and 21 who have left high school without a diploma. Tuition and materials are free and support is available for other needs.

Career Link at South offers support through this program and other campus programs for students to enroll in regular college classes. All Career Link students receive ongoing academic advising and assistance to ensure they are on track to graduate and have a High School & Beyond plan in place.

TRIO Educational Talent Search

South
(206) 934-6401
southseattle.edu/trio/talent-search/

The purpose of TRIO Talent Search is to help low-income and potential first-generation college students successfully graduate from secondary school and enroll in post-secondary education. This federally funded TRIO program serves 580 students each year from five secondary schools and two middle schools located in West Seattle. Students are provided with services directly at their school sites during the school year by program staff. Students must apply for the program, be deemed eligible, and be accepted before receiving any program services. Services that are offered and provided to students, both in individual and group settings, include academic advising and assistance with secondary course selection, postsecondary information and application assistance, financial aid information and application assistance, financial literacy information, college entrance examinations information and registration assistance, career awareness and planning information, connections to tutorial services, and college campus tours and visits.

Upward Bound

South (206) 934-6676
southseattle.edu/programs/trio/upward-bound/

The purpose of TRIO Upward Bound is to provide low-income and potential first generation students with the skills and motivation to complete high school, go to college, and graduate from college. This federally funded TRIO program serves 132 students each year from four secondary schools in West Seattle and Seatac, via two Upward Bound grants. The goal is to maximize students' potential for graduation from high school and subsequent college enrollment. Students are provided with services directly at their school sites during the school year by program staff, and on campus at SSCC during their summer program. Students must apply for the program and be accepted before receiving any program services. TRIO Upward Bound students receive services which include instruction in math, science, foreign language, SAT preparation, and arts/other electives; academic tutoring and instruction in core academic subjects; academic advising and assistance with secondary course selection; post-secondary information and application assistance; financial aid information and application assistance; financial literacy information; college entrance examinations information; registration assistance; career exploration and planning, and educational field trips and activities. The year-round program includes a six-week summer program on campus at South for intensive academic and college preparatory activities.

Pre-College Programs:

Adult BASIC EDUCATION

Central (206) 934-4180
 North (206) 934-7303
 South (206) 934-5363
 SVI (206) 934-4935

Adult Basic Education (ABE) classes are for adults who already know English but wish to improve their basic reading, writing, and math skills. Students can start at a level matching their current skills and progress at their own pace. Classes in basic math, reading, writing and communication skills are designed to help adults become more self-sufficient, improve their job prospects, prepare for the high school equivalency options, such as General Education Development (GED) or qualify for entry into post-secondary education programs. Course descriptions are listed under ABE. Classes are non-credit. Tuition is low, currently \$25 per quarter (subject to change).

ENGLISH as a Second Language (ESL)

Central (206) 934-4180
 North (206) 934-7303
 South (206) 934-5363
 SVI (206) 934-4935

English as a Second Language (ESL) classes, (levels 2-4 at North) (1-5 at Central and South), are offered to help non-native speakers communicate in English and increase their understanding of American culture. Conversation, pronunciation, reading, writing, and grammar are taught through topics important to adult students. These non-credit courses cost \$25 per quarter tuition (subject to change). Course descriptions are found under ESL. When students test high enough, they can move on to Advanced ESL (ESL 093-099), which concentrate on college-preparation skills. Levels 4,5, and 6 are taught at SVI in the evenings. Tuition is low, currently \$25 per quarter (subject to change).

NOTE: International Students should take ESL classes through International Programs, page 28.

GED® Preparation

Central (206) 934-4180
 North (206) 934-7303
 South (206) 934-5363
 SVI (206) 934-4935

Adults may demonstrate that they have reached an education level equal to a high school diploma by taking the General Educational Development (GED) test. Students who pass the GED test earn a GED certificate, accepted by colleges, vocational programs, trade unions, and many employers as equivalent to a high school diploma. Contact the college offices for fee information. To prepare for this test, the Seattle Colleges offer courses that cover the subjects tested: reasoning through language arts, mathematics, science and social studies.

A prerequisite for enrollment in GED classes is the ability to read at or above eighth grade level, or completion of ABE Level 4. Tuition is low, currently \$25 per quarter (subject to change).

See page 240 for course descriptions under General Educational Development (GED).

HIGH SCHOOL COMPLETION Options

Central (206) 934-5408
 North (206) 934-7303
 South (206) 934-7946

- All students who are 21 years of age and older and who earn an associate’s degree of any type from Seattle Colleges are eligible to submit a written request for and to receive a college-based high school diploma. These individuals are not required to complete the State Board of Education high school graduation requirements.
- Running Start students who complete an associate’s degree are eligible to request a high school diploma at any age. These individuals are not required to complete the State Board of Education high school graduation requirements.
- The Seattle Colleges also offer High School Completion options to students who have not completed their high school diplomas. With this option students must have a minimum of 19 credits which include required courses. Students will also need to complete a culminating project, a “High School and Beyond” plan, and pass the High School Proficiency Exam (HSPE).

Students planning to work towards a high school diploma should obtain a copy of “Requirements for the High School Diploma” from the Advising or Admissions Office for complete information. These individuals are required to complete the State Board of Education’s high school graduation requirements. The requirements are listed below.

Standard High School Diploma

95 college credits are required prior to the class of 2013; 100 credits are required for 2013 and beyond.

A high school diploma may be earned by completing 95 (or 100) college credits, including required and approved elective courses. Transfer credit may be approved for courses completed at other institutions; the final course must be taken at one of the Seattle Colleges and a minimum of 2.0 GPA must be achieved.

Students who have not completed high school and are age 19 or older may enroll in this option for a reduced tuition. Students 18 or younger must pay full tuition unless enrolled in a Running Start program through a participating high school.

REQUIRED COURSES

Requirements may vary slightly from college to college. A number of other courses may be substituted for these requirements. Obtain a copy of “Requirements for the High School Diploma” and advice from a counselor or advisor at the college you plan to attend.

Note: A 5-credit class equals one year of study in high school.

English	15
Fine Arts (Drama, Music or Art)	5
Pacific Northwest or Washington State History	2.5
U.S. History I (includes U.S. Constitution)	5
Contemporary World Problems, World History or World Geography.	5
Mathematics Series (Pre-Algebra, Algebra I or math class at student’s placement level)*	10
<i>*15 cr for the Class of 2013 and beyond</i>	
Science (Two science courses, one of which must be a lab science, for which prerequisites have been met)	10
Occupational Education (May be chosen from any Professional Technical courses)	5
Physical Education (May be waived with permission at C,S: not at N)	10
Approved Electives (from college transfer or Professional Technical courses; quantity varies, depending on number of required courses), minimum	27.5
Required credits	67.5 - 72.5
<i>(72.5 for class of 2013 and beyond)</i>	

ELECTIVE CREDITS	27.5
TOTAL CREDITS	95 - 100
<i>(100 for class of 2013 and beyond)</i>	

Tuition Waiver for High School Completion

80% of the regular tuition is waived for students who fulfill the following criteria:

1. Age 19 or older
2. Resident of the State of Washington

To receive a tuition waiver, a student must submit an application for high school diploma completion.

Students 18 years old and younger who have not graduated from high school must pay the standard tuition fees for their courses unless they enroll in Running Start (see page 21). Non-residents will be charged the resident tuition fee. These students must also be approved to attend one of the Seattle Colleges by the Director of Admissions or College Underage Advisor and obtain a letter of release from their school district. Seattle Public School District students should contact the Office of Student Placement.

6 | eLearning/Distance Education

District eLearning

seattlecolleges.edu/distance

Seattle Central College

seattlecentral.edu/distance

North Seattle College

virtualcollege.org/

South Seattle College

southseattle.edu/online

The Seattle Colleges offer a wide range of eLearning/Distance Education options for the completion of over 250 courses using a variety of technologies. The colleges are fully accredited and students can earn an A.A. degree at their own pace.

Courses are taught by experienced SCCD faculty and the content and credit are equivalent to traditional, on-campus courses. While eLearning and Distance Education students have increased flexibility, most courses are not self-paced, so students will need to structure their personal schedules accordingly. Courses usually contain more reading and assignments to ensure that student learning will be as rigorous as similar on-campus classes.

Students can work directly with an advisor who will recommend courses relevant to the student's goals, and develop an individualized degree completion plan. State tuition applies in most courses and may be covered by financial aid. All three campuses have eLearning/Distance Education offices that students may visit in person.

Types of eLearning/ DISTANCE EDUCATION/Courses

Online Courses

Online coursework is completed over the internet within a quarterly timeframe. Classes require internet access and an email address. Students are given reading assignments, lessons, and other activities to satisfy course objectives and required learning outcomes. Online study groups, student discussion forums, and interaction with the course instructor enhance the learning experience.

Fully online courses do not require campus visits. However, some online courses may require proctored exams. Submission and grading of student work takes place online. Most classes use some form of discussion forum for online discussion. Enrollment follows the quarterly college schedule.

Students can also take Washington Online (WAOL) courses through the Seattle Colleges. Washington Online is a cooperative effort of Washington State's community and technical colleges to deliver coordinated online instruction. A team of faculty members representing several community colleges develops Washington Online courses; the instructor may be a faculty member at another Washington State community or technical college. Enrollment usually follows the quarterly college schedule; please see the Washington Online (WAOL) website for exact start and end dates for each course.

Hybrid Courses

Hybrid courses provide students with the scheduling flexibility of fewer campus visits while covering the same materials as an equivalent class held entirely on campus. Hybrid classes usually have at least one on-campus meeting per week and they usually require some form of weekly participation in a "virtual classroom." Online activities often include some combination of the following; participating in an online discussion forum, reviewing online content and lessons, assignments, quizzes, or test submissions, and/or interactive web-based activities. These courses often use on-campus exams as assessment tools. Enrollment usually follows the quarterly college schedule.

Video Courses

For students with broadband internet connections, the Seattle Colleges offer online classes that incorporate DVD's and video-on-demand. Professional telecourses and college-produced video materials are video streamed or DVDs may be rented from the eLearning department. Contact the individual campus eLearning/Distance Education offices for available options.

Students interact, complete assignments and find supplemental materials online through Canvas, our learning management system. On-campus meetings are generally not required for these courses. However, students may be required to take their exams on campus. Students who are not able to come to campus must find their own proctor to supervise the exams. Enrollment follows the quarterly college schedule.

Correspondence Courses

Correspondence studies are conducted by mail or email. Students receive study guides with a course outline, a list of required textbooks, and instructions on how to complete specific lessons. Students submit completed assignments to the eLearning/Distance Education office for evaluation by the instructor, who will return them to the student with comments. Many correspondence courses have the option to access content and submit assignments online while others are technology free. Consult with a counselor or advisor before enrolling. Correspondence courses have open enrollment and do not follow the quarterly college schedule. They are not eligible for financial aid or loan deferment.

TECHNICAL REQUIREMENTS

seattlecolleges.edu/distance

See website for further details.

Minimum requirements for online, WAOL, videostreaming and hybrid courses include:

- Access to a PC with a Pentium processor (Windows 2000, Vista, 7, 8) or comparable Macintosh computer (OS X or later versions) with at least 32mb RAM
- A reliable internet connection (DSL or cable modem connection recommended)
- Browser requirement: Latest versions of Firefox, Internet Explorer, Chrome or Safari
- Individual courses may require the latest free versions of common "plug-ins" such as: Adobe Acrobat, Java Runtime, QuickTime, Macromedia Flash, Microsoft PowerPoint Viewer, Microsoft Word Viewer, Microsoft Excel Viewer, or free OpenOffice.

Courses with audiostreaming or videostreaming will require sound and video cards and a broadband (DSL or cable modem) internet connection. Some courses may require access to DVD players.

The Canvas online learning management system is utilized by almost all online, hybrid and web-enhanced courses. Specifications include a computer newer than 5 years old with 1 GB of RAM and a 2 GHz processor with a minimum internet speed of 512 kbps. For mobile devices, iOS 5 and newer or Androids 2.3 and newer are specified.

ADDITIONAL FEES

Online technology, licensing, DVD/video rental and videostreaming fees may apply. Washington Online courses (WAOL) require a technology fee. Information about the fees can be found in the quarterly class schedule available online for each college.

SEATTLE COLLEGES CABLE TELEVISION & Iris Education

(206) 934-3928 or (206) 395-5539

sctv.net

iriseducation.org

seattlecommunitymedia.org

The Seattle Colleges television station, SCCTv, offers high quality education and community programming. SCCTv broadcasts to residents of Seattle on Comcast channel 28, Wave Broadband channel 19 and simulcasts to the world via its website.

Self-funding, SCCTv's video production team creates high quality video for clients and also operates Seattle Community Media, the city's public access station seen throughout Seattle and King County on Comcast channel 77. Seattle Community Media provides a venue for many voices of our diverse community.

Emmy-award winning SCCTv creates unique original programming such as Professor Fred's Movie Marvels, sharing these programs with college television stations across the country, including Spokane, Portland, San Antonio and Springfield, Massachusetts. Programming information is available on the website.

SCCTv's IRIS Education division serves as a portal for the world's largest educational video producers, providing the digital delivery system, hosting and streaming for thousands of hours of educational content. This content is streamed to hundreds of higher education institutions and more than 77,000 high schools and K-12 schools throughout the United States and Canada. Using innovative web development tools, IRIS also creates affordable websites for clients, specializing in streaming media.

7 | International Programs

Mission Statement: The Seattle Colleges will educate our students to become well-prepared members of a global society.

The Seattle Colleges provide global education opportunities to all students, faculty and staff. Our colleges welcome thousands of students from other countries to study in academic and technical programs as well as Intensive English programs. The Seattle Colleges also offer a wide variety of study abroad, internships and service learning opportunities for students to study and learn in other countries. Our faculty and staff enjoy exchanges and professional development abroad.

The colleges are committed to fostering international awareness and understanding and encourage the sharing of ideas and cultures.

For general information: <http://seattlecolleges.edu/international>

Each college offers programs for international students and for Study Abroad. Contact the International Programs office on each campus for details about what is offered and how to participate:

SERVICES AND PROGRAMS for International Students

Each college has an International Program office with services including admission, college and cultural orientation, immigration and academic advising, social activities, trips, transcript evaluation for credit transfer, and housing referrals. See the International Program websites for more information.

ADMISSION GUIDELINES for International Students

- Students should apply through the International Programs Office at the college of their choice, since admission procedures and registration schedules vary from college to college. Contact the individual college for specific information.
- Applicants must demonstrate adequate financial support to cover the period of study in order to meet visa requirements. International students pay the non-resident tuition rates.
- Applicants must be at least 16 years of age and have completed 10th grade at the time of enrollment.
- Application for admission by itself does not guarantee acceptance. Students must receive official notification of admission from the International Programs Office in order to enroll.

Note: International students should begin the application process well in advance of the quarter for which admission is desired in order to allow time for processing the application, to make passport and visa arrangements, and to prepare for departure.

Guidelines for Continuing Enrollment for International Students

Students must:

- Comply with Homeland Security requirements, including proper documentation, a valid passport, I-94 and I-20
- Complete 12 credit hours each quarter (as assigned by an advisor) while maintaining a satisfactory GPA
- Purchase the college insurance plan at the time of registration. This is required to prevent possible financial difficulties in the case of illness or accident

TYPES OF PROGRAMS AVAILABLE for International Students

Intensive English

Students enroll in general English courses at beginning, intermediate and advanced levels.

College Bridge

Students develop academic skills to prepare for college/ university level studies, and may enroll in one or more college level courses.

College Transfer

Students enroll in the two-year Associate of Arts (A.A.) or Associate of Science (A.S.) degree at the Seattle Colleges, which is equivalent to the first two years at a university. The associate's degree transfers to hundreds of four-year colleges and universities around the USA. Students enjoy lower tuition and smaller class sizes than at most four-year colleges.

Professional Technical

Students can choose from more than 135 degree and certificate programs in professional and technical fields. Programs vary in length from one to seven quarters.

FAST TRACK High School Completion

Students can complete their high school diploma and earn their associate's degree at the same time.

Summer Session

Students can choose from a range of college and English programs during the summer term.

TRANSFER TO FOUR-YEAR SCHOOLS Opportunities

The Seattle Colleges have many agreements with both in-state and out-of-state baccalaureate (four-year) colleges and universities for transfer for qualifying students, including international students.

See pages 11-12 visit the website (seattlecolleges.edu/international) for the most current list, or see an academic advisor.

Programs for U.S. STUDENTS STUDYING AND VOLUNTEERING ABROAD

seattlecolleges.edu/international/studyabroad.aspx

The Seattle Colleges encourage students to study abroad as a way to enhance their educational experience. Interested students should visit the International Programs Study Abroad website to see a list of current programs and other resources on study abroad, service-learning and internships abroad. Information about financing study abroad is also available on this website.

All three colleges also have travel/study or cooperative education courses that students may be able to register for if their study abroad opportunity does not include college credit.

8 | Worker Retraining Program

Each college has a Worker Retraining Coordinator who can be reached as follows:

Seattle Central College

(206) 934-3854
seattlecentral.edu/wrp

North Seattle College

(206) 934-3787
northseattle.edu/workforce-education/
worker-retraining

South Seattle College

(206) 934-5835
southseattle.edu/wrp

Seattle Vocational Institute

(206) 934-4936
sviweb.sccd.ctc.edu/wrp/wd_wr.htm

District-wide

seattlecolleges.edu/wrp

All four of the Seattle Colleges campuses offer Worker Retraining programs to provide retraining opportunities for unemployed and dislocated workers in the state of Washington. A “dislocated worker” is defined as an individual unlikely to return to employment in the individual’s principal occupation or previous industry because of diminishing demand for his or her skills, occupation, or industry.

ELIGIBILITY

Those who meet eligibility requirements may qualify for tuition and financial assistance through Workforce Training funds and other sources, and possibly for fees, books, bus pass and/or childcare. Other campus services in career planning and job search skills are also available. A person may be eligible for Worker Retraining if he or she

- Is unemployed and is collecting Washington State Unemployment Benefits
- Has exhausted Washington State Unemployment Benefits within the last 24 months
- Has received a WARN letter
- Has been working in the home, experiences a significant loss of income and needs to re-enter the workforce

- Is an unemployed or under-employed displaced homemaker.
- Has closed a business due to economic downturn
- Is working in a not-in-demand job (along with other criteria)
- Has lost a job because of a disaster
- Has separated from the military with an honorable discharge within the last 24 months
- Has suffered a loss of more than 50% of household income due to a divorce, separation or death of a spouse or partner within the last 24 months.

START NEXT QUARTER:

www.startnextquarter.org

The Seattle Colleges offer hundreds of students free and reduced tuition, books, and fees every quarter through Start Next Quarter. Interested students can see if they pre-qualify for Opportunity Grants, Worker Retraining, Basic Food Employment and Training, and WorkFirst funds by visiting this website. Students who pre-qualify for funding are invited to a Start Next Quarter workshop where their eligibility for funding is confirmed. Funding is limited and may be restricted to certain courses of study.

BENEFITS

- Priority Registration
- Tuition Assistance
- Career Planning Services
- High wage, high demand training programs
- Tutoring assistance
- Assistance with TAA and CAT/TB paperwork
- Liaison to other agencies, programs and funding

ACCREDITATION

The Seattle Colleges are state-supported public institutions accredited by the Northwest Commission on Colleges and Universities*, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Each college is accredited individually; Seattle Vocational Institute is accredited jointly with Seattle Central. See complete accreditation details on page 2.

*NWCCU, 8060 165th Avenue NE, Suite 100, Redmond, WA 98052 Website: www.NWCCU.org (425) 558-4224

Getting STARTED

5 Steps to Enrolling

- 1 Apply
- 2 Plan your Funding
- 3 Placement for Classes
- 4 Registration
- 5 Pay and Prepare

1 | APPLY

The Seattle College District operates on an open door admission policy (District Policy 305). Consistent with available space and resources, each campus admits those students who:

- Are competent to profit from the curriculum offerings of the District; and
- Would not, by their presence or conduct, create a disruptive atmosphere within the College District inconsistent with its purpose; and
- Are 18 years of age or older; or
- Are high school graduates; or
- Have applied for admission under the provisions and qualifications of student enrollment options programs such as Running Start or a successor program; or through other local student enrollment option programs. However, an applicant transferring from another institution of higher education who meets the above criteria, but who is not in good standing at the time of his or her transfer, may be conditionally admitted on a probationary status as determined by the chief administrative officer or his or her designee;

OR

- Are students age 16 and over who meet the provisions of Title III of the Workforce Investment Act who may then enroll in certain adult basic education classes. Individuals admitted into such classes will be allowed to continue as long as they are able to demonstrate, through measurable academic progress, an ability to benefit from the curriculum offerings.
- If not qualified under subsections above, has filed an appropriate written release from the public, private or home school he or she is attending or last attended, provided they are at least 16 years of age or older.

Admissions Exception

The college does not desire to replace or duplicate the functions of the local public schools; however, persons under the age of 18 may request special admission on

a course-by-course basis, provided they have attained at least high school junior standing. Criteria for granting admission are: competency at an appropriate academic, artistic, and/or technical talent level and the ability to participate in an adult learning environment.

Specific admissions procedures are available in the registrar's office at each campus and at seattlecolleges/studentrules.aspx.

NEW STUDENT Admission

To apply, students have three options:

1. Complete and submit an online admissions application. The online application form is available at: [seattlecolleges.edu/Prospective Students/Getting Started](http://seattlecolleges.edu/Prospective_Students/Getting_Started). Additional application information is also available at each of the college websites:
 - **Central:** seattlecentral.edu/getstarted
 - **North:** northseattle.edu/admissions/steps
 - **South:** southseattle.edu/enrolling
 - **SVI:** sviweb.sccd.ctc.edu

OR

2. Download a printed application, complete it and mail it to your selected campus. Addresses are on the inside of this catalog cover.

OR

3. Complete a paper or web online admission application in person at the college.

For those intending to transfer in credits from another college or university for evaluation, submit official copies of transcripts from any community colleges, universities or technical schools attended.

NOTE: For some programs, high school transcripts may be required. Check with your campus for more information.

ENROLLING AT MORE THAN ONE SEATTLE COLLEGE

Intra-District Registration/Concurrent Enrollment

Students may enroll at more than one of the Seattle Colleges without paying more than the maximum tuition at any one college; however, additional class or college fees may be incurred. When applying online, submit separate applications for each college.

NOTE: Financial aid recipients may receive aid through only one college. See the Financial Aid office at your home college four weeks prior to the beginning of the quarter if you plan to enroll in more than one college in the district.

READMISSION of Former Students

Students who were not enrolled for the most recent quarter, but who were previously enrolled at the Seattle Colleges, may enroll during open registration. Students should update their address information when registering.

Students who were dismissed for disciplinary or academic reasons must see the Vice President for Student Services (the Dean of Instruction at SVI).

Students who pause (drop out) for a quarter or more and are interested in graduating should be aware that they may choose to fulfill requirements in effect from an earlier catalog, provided:

1. the Vice President for Instruction (Dean of Instruction at SVI) agrees to the earlier requirements; OR
2. not more than five years have elapsed since the student first enrolled under the earlier catalog; AND
3. courses required for completion are still offered.

Students are advised that if they graduate under an earlier catalog some current transfer requirements of four-year institutions may not be satisfied.

RESIDENCY Requirements

Residents – U.S. Citizens

To qualify for in-state (resident) tuition applicants must have lived in Washington state for reasons other than educational purposes for one full year prior to the first day of the quarter in which resident fees are requested. A financially dependent student may also be eligible for resident tuition if one or both parents or legally appointed guardian(s) have maintained a domicile in Washington for one full year prior to the first day of the quarter. Establishing permanent state residency includes compliance with Washington state laws, vehicle and driver's license registration and registration to vote in this state, if applicable.

Applicants may qualify for in-state tuition rates without establishing residency if they:

- a) hold a graduate service appointment, designated as such by an institution, and involving not less than twenty hours per week.
- b) reside in the state of Washington and are an employee, spouse or the dependent child of an employee, not less than half-time with a state institution.
- c) are on active military duty and stationed in Washington state or a member of the Washington National Guard.
- d) are an immigrant refugee/asylee/parolee or the spouse or dependent child of an immigrant refugee/asylee/parolee.
- e) are a dependent of a Congressional member representing the state of Washington.

Contact the Registration Office for more information on additional legal requirements to qualify for these exemptions.

Those who do not meet the residency requirements or eligibility for exemption are assessed tuition and fees based on "non-residency" status.

Residents – Non-U.S. Citizens

Effective July 1, 2003, Washington state law changed the definition of "resident student" so that certain students who are not permanent residents or citizens of the United States are eligible for resident student status – and eligible to pay resident tuition rates – when they attend public colleges and universities in this state.

To qualify for resident status, students must complete an affidavit/declaration/certification if they are not permanent residents or citizens of the United States, but have met one of the following conditions:

CONDITION ONE:

- a) resided in Washington state for three (3) years immediately prior to receiving a high school diploma, AND
- b) completed the full senior year at a Washington high school, AND
- c) continuously resided in the state since earning the high school diploma.

CONDITION TWO:

- a) completed equivalent of high school diploma (GED), AND
- b) resided in Washington state for the three (3) years immediately before receiving the equivalent of the diploma, AND
- c) continuously resided in the state since earning the equivalent of a high school diploma.

Students who meet one of the above conditions must also certify that they will be filing an application to become a permanent resident of the United States as soon as they are eligible to apply. Students must also certify that they are willing to engage in activities designed to prepare them for citizenship, including citizenship and civics review courses.

Students who meet these conditions and would like to pay resident tuition rates should contact the college Registration Office:

Financial aid may be available to help make education possible. Financial Aid offices can help students apply for grants, work-study, loans and scholarships. They also provide information on eligibility requirements, student rights and responsibilities in receiving aid, requirements for maintaining aid, planning a budget, and other financial concerns.

College EXPENSES

Student expenses include estimates of all school and basic college living expenses for the academic year (Fall, Winter, and Spring Quarters). Information on student budgets is available in the Consumer Information brochure available in the Financial Aid office at each campus and on the financial aid websites listed above.

DETERMINATION of FINANCIAL AID

Using information provided on financial aid forms, a determination is made of the amount a student is expected to contribute toward his or her expenses for the academic year. The amount a student can pay is subtracted from the cost of attendance to determine the amount of need.

To be eligible for financial aid, a student must:

- Be a citizen, naturalized citizen, refugee, or immigrant to the United States
- Have a high school diploma or a GED certificate
- Demonstrate financial need as determined by the free application for federal student aid (FAFSA)
- Enroll in an approved certificate or degree program and take required coursework

- Be registered with the Selective Service, if required
- Not owe a refund or repayment on prior financial aid received, or have a student loan in default at these or prior colleges attended
- Make satisfactory academic progress as defined by each campus

Maintaining Eligibility

Students are required to make satisfactory academic progress in their chosen course of study. Students are advised to check with the campus Financial Aid Office for requirements.

Types of Financial Aid/Opportunity Pathways

Three basic kinds of financial aid are available for students. Financial aid may consist of one or more of:

1. **Grants, Scholarships, & Waivers:** Students do not repay grants, scholarships and waivers if satisfactory academic progress is maintained. Grants include Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Washington State Need Grants (SNG), College Bound Scholarship and Institutional Grants.
2. **Employment:** Work-study programs provide part-time employment.
3. **Loans:** Contact the campus Financial Aid Office for information about participation in loan programs.

Many different scholarships are offered. Amounts, eligibility criteria and deadlines vary. Check with the Financial Aid Office for information and application forms.

Opportunity Grants

Eligible students pursuing approved pathways* may receive funding to cover tuition and mandatory fees up to 45 credits (990 clock hours) and up to \$1000 per academic year for tools, texts and supplies.

** See "opportunity grants" on college websites for a list of approved programs. For additional grant information, visit www.sbctc.ctc.edu/s_opportunitygrants.aspx*

Grant Eligibility

- Washington state resident
- Enrolled in an eligible program of study
- Family income at or below the 200% federal poverty level
- Financial need based on FAFSA
- No previous degree or certificate (preferred, but not required)

sviweb.sccd.ctc.edu/f_opportunity_grant.htm**Start Next Quarter**startnextquarter.org

The Seattle Colleges offer hundreds of students free and reduced tuition, books, and fees every quarter through Start Next Quarter (SNQ). Interested students can see if they pre-qualify for Opportunity Grants, Worker Retraining, Basic Food Employment and Training, and WorkFirst funds by visiting this website. Students who pre-qualify for funding are invited to a Start Next Quarter workshop where their eligibility for funding is confirmed. Funding is limited and may be restricted to certain courses of study. Potential SVI students can also use SNQ.

SVI Financial Aid and Assistance

(206) 934-4977

Federal and state financial assistance is available for students attending SVI. Depending on eligibility, assistance consists of work-study and grants, including Pell Grants, State Need Grants, and Supplemental Educational Opportunity Grants (SEOG). SVI also participates in Worker Retraining, WorkFirst funding, the Opportunity Grant Program, Basic Food and Employment and Training (BFET), College Bound Scholarship and Passport Scholarship Programs.

Financial aid application instructions and funding options information is given in the Educational Planning Course described on pages 170. Early application is encouraged. Late applicants may have their entry into school delayed.

In order to maintain financial aid eligibility, students must maintain satisfactory academic progress.

FINANCIAL Assistance for VETERANS**Veterans Affairs Offices****Central & SVI** (206) 934-4147**North** (206) 934-7309**South** (206) 934-5811

The Veterans Affairs Offices provide services to help veterans and eligible dependents receive and maintain VA

educational benefits while in school. Benefits handled by college staff include the Montgomery G.I. Bill, Post 9/11 G.I. Bill, Veterans Education Assistance Program/VEAP, Reserve Education Assistance Program, Benefits Program for Dependents and Surviving Spouses, Selective Reserve Assistance Program, Vocational Rehabilitation Program and others. The office maintains attendance records and monitors academic progress, assists in applying for tutorial and work-study benefits (for some veterans), and approves eligibility for tuition discounts for eligible veterans, their spouses and/or their dependents.

To receive benefits, students must contact the Veterans Affairs campus office prior to the beginning of the academic quarter. If students are transferring from another school or are applying through the Veterans Administration, they must also contact the office to ensure all application requirements have been met. All veterans must apply for a credentials evaluation as soon as possible and notify the office immediately of any changes in address, program, dependents, enrollment, etc.

It is important that students be aware of all requirements outlined by the college and the Department of Veterans Affairs to fulfill educational objectives. Veterans and eligible dependents receiving benefits are required to maintain specific academic standards in order to retain benefits. Some classes or courses of study are not applicable for benefits.

Veterans Waivers

Subject to limitations, Veterans or National Guard members, and their children and spouses, may be eligible for tuition waivers. For more information about eligibility, contact the Veterans Affairs Office at each campus.

THE APPLICATION PROCESS
How to Apply for Financial Aid

Apply at www.fafsa.ed.gov. Be certain to complete the application according to instructions.

When to Apply

All application documents must be accurately completed and delivered to the Financial Aid Office by the published deadline date. For exact dates see the "Deadline" section of the Consumer Information brochure available at each campus. It is recommended that the student begin this process as soon as possible.

Students need to apply only once each school year, but they must reapply every year of attendance. Applications are processed in the order received. Late applicants must plan to pay for their own tuition by the tuition deadline and purchase their own books so that they are ready to begin class on the first day of school. Aid will be disbursed later in the quarter to eligible, late-aid applicants.

Notification

Students are emailed or mailed a financial aid notification letter indicating award types and amount per quarter. It is important to read the notice carefully, following all instructions. Students are also notified if they are ineligible for financial aid.

Disbursement of Funds

Financial aid is first applied to tuition and fees charged at the time of registration. Any remaining balance is issued to the student. A student has three options for receiving this disbursement (also called a refund):

- having funds deposited to a new account which can be accessed with a Seattle Colleges debit card;
- having funds deposited directly into the student's current bank account;
- having a paper check mailed.

Work-study awards are paid through a payroll check twice a month as the money is earned. Campus financial aid offices provide detailed instructions for both disbursements (refunds) and work-study payments.

Students receiving support from outside agencies should make certain the agency has sent its authorization to the Financial Aid Office at least a week before the tuition payment deadline.

Withdrawal Penalties

If a student withdraws from school or drops more than the required credits to maintain aid, financial aid stops. Tuition refunds are not returned to the student but credited to the appropriate financial aid account. In the case of official withdrawal, students may be required to repay a percentage of their cash disbursement and/or tuition and fees. If a student drops out without notifying the school, he/she may be billed for the entire amount. Repayment is required before receiving consideration for any further aid, to register for future quarters, or to have transcripts released to another institution. Students should contact the campus Financial Aid Office for details.

Financial Aid Information Changes

Information in this publication regarding financial aid is subject to change without notice and does not constitute an agreement between the colleges and the students.

3 | PLACEMENT for classes

Most new students are required to take the COMPASS placement test (SVI students see below). COMPASS is an untimed, computerized test used by the colleges to evaluate reading, writing and math skills and to determine the appropriate math and English course placements. Possible exemptions to taking the test are recent proof of college-level English and math with a 2.0 or better GPA, other recent placement test scores submitted via the Placement Reciprocity form, some training or performance courses.

Contact the Testing and Assessment Office, your college website, or www.beforeyoutest.org for details about taking the test or the test-prep workshop on your campus, and for current fees and guidelines.

Prepare for the COMPASS Test

www.beforeyoutest.org

Preparing for the test helps to ensure the most accurate test results and the best course placement. The website provides all the information you need about the COMPASS and on-line resources for test preparation, including who should take the tests, when and where. It also explains accommodations for disability and retaking a test. Current cost for the COMPASS Test is \$19 (for 2014-2015).

Some students also take the ESL COMPASS along with the Standard COMPASS Test to assess their English skills. If a student's skill set is good, the computer moves the student into the Standard COMPASS for further assessment and placement.

North Testing Center

4 | REGISTRATION

START: NEW STUDENT ORIENTATION

Participation in the orientation is mandatory for new students entering the Seattle Colleges. New Student Orientation provides an overview of programs and services, and the opportunity to meet with an advisor and register for courses online.

ADVISING

The Seattle Colleges provide educational advising to new and enrolled students (District Policy 315).

Advising is available to help plan a course of study and select the appropriate classes. At North and South, advisors provide information on Professional Technical programs and academic transfer programs as well as admission requirements for four-year institutions. At Central, the Workforce Education Manager provides information on Professional Technical programs, and advisors provide information on academic programs as well as admission requirements for four-year institutions. Advising centers maintain a broad collection of catalogs/transfer guides from colleges, universities, and vocational schools.

(206) 934-5387

SVI **Admissions**
(206) 934-4945

REGISTRATION

The Seattle Colleges require official enrollment before a student may enter any class. Official enrollment is the process of registering for classes and payment of tuition and fees.

Students may register for classes by using campus online services (see below) or completing an enrollment form, and then paying tuition.

The Seattle Colleges operate on a quarter system. The quarterly course schedules are published approximately 6 weeks before the start of a quarter and are available online or can be downloaded and printed. Registration information is provided to all new and currently enrolled students. Current students receive priority in registering.

Check the academic calendar on the back inside cover of this catalog or at seattlecolleges.edu/district/calendar/academiccalendar.aspx.

Online Services

Online registration via the college websites is available for students seven days a week from 5 a.m. to 11 p.m. Students can use online services to register/add/drop classes, get quarterly grades, look up registration appointments, check financial status, change their PIN, or pay for classes by credit card or deferred payment plan. For more registration information, visit the campus website or contact the campus Registration Office.

Registration websites can also be reached by selecting a college at seattlecollege.edu/register.

SVI: SVI does not have online services at this time. Please see SVI for enrollment through the Educational Planning Course.

EMAIL: Email is the primary mode of communication with students at the three campuses. These emails may include information about admissions, deadline dates, registration, waitlist status updates, dropping for non-payment, residency, transfer credit evaluation and graduation. Students should keep their email addresses current with their college.

ATTENDANCE Policy

Students may not attend any class unless they have officially registered and paid tuition and fees. (Exception: students who are enrolling using a space-available waiver.) Instructors may not allow a student to attend their class if the student's name is not on the class roster. Students who are officially enrolled in credit classes must be in attendance or communicate with the instructor no later than the first scheduled class. Students who are absent without prior approval of the instructor or the division/department chair may be withdrawn by the college.

NOTE: Students should not assume that they have been dropped if they have not attended class on the first day; instead, they should officially drop or withdraw. See "Dropping Classes."

ADDING Classes

After initial registration, students may add classes* through the end of the 10th day of the quarter (through the 8th day in Summer Quarter). Instructor permission may be required. Students may add classes online during designated time periods, or may complete an Add/Drop form in person at the Registration Office.

NOTE: Students may petition for a late registration* based on documentation demonstrating extenuating circumstances. Late registration petitions will only be considered for those students who attended classes prior to the 10th day of the quarter (8th day for summer). A per credit late fee will be assessed.

**Adding classes and late registration policies do not apply to SVI.*

DROPPING Classes

To drop a course, students must complete the official withdrawal procedure, as listed in the campus quarterly schedule:

1. During the first two weeks of the quarter, or by the 8th day of Summer Quarter, students may withdraw from a class and no record of the course will appear on the transcript.
2. From the 3rd week through the 8th week of the quarter (9th day through 6th week in Summer Quarter for regular summer courses; by the 4th day of the quarter for 4 week summer courses), students may withdraw and a "W" will be recorded and will remain on the student's transcript. After a "W" is issued, the course may be repeated only one more time.
3. After the 8th week (6th week for Summer Quarter) students may not officially withdraw from a class regardless of academic status.

NOTE: Students cannot officially drop a class by simply informing the instructor of the withdrawal or by ceasing to attend class. Students must complete an Add/Drop process through online services or at the Registration Office, before the course withdrawal is considered official. Students should check the quarterly schedule for online service availability. Instructors have the option of issuing a failing grade to students who do not go through the official withdrawal process.

Current CONTACT INFORMATION

Students must maintain a current email address, telephone number and mailing address with the college to receive correspondence regarding registration status, financial aid, grades and other information.

Updates may be made via web online student services at each of the college websites or at the Registration Office.

5 | PAY and Prepare

Students are not officially registered for a specific quarter until tuition and fees have been paid in full to the college or contracted for full payment with a deferred payment plan for monthly tuition payment (see below). Payments must be received prior to the posted tuition deadline. Payments can be made online through the college website, through the mail or in person at the Cashier's Office. VISA, Master Card, American Express and Discover credit cards may be used for online payment of tuition and fees (except at SVI). These credit cards, debit cards and checks in the exact amount of the tuition and fees are also accepted for payment at the cashier's window. Cashiers are located near the Registration Offices at each of the campuses.

Seattle Central College	(206) 934-4108
North Seattle College	(206) 934-3627
South Seattle College	(206) 934-5388
Seattle Vocational Institute	(206) 934-4947

Optional Payment Plan for Tuition

Each of the Seattle Colleges offers a deferred payment service through a third-party sponsor. Enrollment in this program enables students to make automated monthly tuition payments from a bank account, debit card or credit card. Students must have a tuition/fee balance of \$100 or more to be eligible for this option. Students taking Continuing Education classes and International students are not eligible for this option. For further information:

Central: seattlecentral.edu/registration/tuition.php

North: northseattle.edu/tuition-fees/deferred-tuition-payment-system

South: www.southseattle.edu/services/facts.htm

TUITION

Tuition at community and technical colleges in Washington State is charged by credits, rather than by part-time or full-time status. In addition to credit load, tuition is also determined by residency*. International students are required to carry a credit load of 12 or more to maintain their status. The tuition below applies to regular college classes; tuition for Bachelor's degrees (B.A.S.) is calculated on a different basis. See below.

Tuition and fees are set by the Washington State Legislature and are subject to change. For current amounts, go to www.seattlecolleges.edu/tuitionfees.aspx or refer to the quarterly class schedule for each campus.

**See page 31, Residency Requirements.*

NOTE: Amounts listed are for 2014-2015 tuition. For current amounts, go to www.seattlecolleges.edu/tuitionfees.aspx or refer to the quarterly class schedule for each campus.

2014–2015 Tuition Rates for Lower Division Credit Programs

# of Credits	RESIDENT	NON-RESIDENT
1	106.84	278.84
2	213.68	557.68
3	320.52	836.52
4	427.36	1,115.36
5	534.20	1,394.20
6	641.04	1,673.04
7	747.88	1,951.88
8	854.72	2,230.72
9	961.56	2,509.56
10	1,068.40	2,788.40
11	1,121.39	2,846.40
12	1,174.38	2,904.40
13	1,227.37	2,962.40
14	1,280.36	3,020.40
15	1,333.35	3,078.40
16	1,386.34	3,136.40
17	1,439.33	3,194.40
18	1,492.32	3,252.40

19-25 credits

Resident/On-Campus

\$96.26 for each credit between 19 and 25

Non-resident/On-Campus

..... \$268.26 for each credit between 19 and 25

NOTE: Students in Professional Technical programs that require more than 18 credits per quarter (e.g., Culinary Arts) pay a reduced rate for those credits. See the program website.

eLearning /Distance Education

For current eLearning /Distance Education tuition and fees, see seattlecolleges.edu/distance.

Bachelor of Applied Science (B.A.S.) Degree Tuition

The tuition above does not apply to the Bachelor's degree programs. See page 19 for more information on B.A.S. degree tuition or visit seattlecolleges.edu/bachelors.

Tuition Changes

Tuition is subject to change by the Washington State Legislature and approval by the State Board for Community and Technical Colleges. The Seattle College District reserves the right to change any of its fees or charges without notice.

Non-payment of Tuition and Fees

Costs and expenses that result from collecting unpaid tuition and fees will be added to the total owed to the colleges, according to state laws RCW 28B.10.293 and RCW 19.16.500.

Student FEES

Student fees vary each year and are approved by the State Legislature or the Seattle Colleges Board of Trustees.

Students pay a variety of fees each quarter. Typical fees might include:

- Technology Fee (\$3 per credit with a maximum) for access to email and the latest technologies
- Class/Lab Fee for some classes for equipment or materials
- Transportation Fee which allows reduced fee ORCA passes or ferry reimbursement
- Student Activity Fee
- Other Fees

For current fees related to registration and attendance, go to the quarterly class schedules.

Special Program Fees

Please refer to the quarterly schedule for each campus for other fees, program-specific fees, and class fees, including those related to Adult Basic Education, GED, High School and Apprentice programs.

Non-credit & Community Service Program Fees

Please refer to quarterly class schedule for each campus for fees associated with non-credit and community education programs.

Other Fees

Please refer to the campus website or class schedule for other fees, such as GED fee, transcript fee, testing or placement fees, or work experience evaluation fee.

Student INJURY & SICKNESS INSURANCE PLAN

Student injury and sickness insurance is available to students registered for 6 or more credits. Provided by Summit America Insurance Services, L.C., the policy provides broad coverage at a comparatively inexpensive rate. Student insurance must be purchased during the first two weeks of each quarter. For more information, see www.summitamerica-ins.com.

REFUNDS

General Refunds

Tuition and fees (those that are refundable) will be refunded if complete or partial withdrawal from classes is accomplished within the first twenty (20) calendar days of the regular college quarter starting date (District Procedure 605.30.1). Fees and tuition refunds are returned automatically once students have officially dropped online or in person with the refund schedule below:

Withdrawal resulting from classes canceled by college	100%
During the first five (5) instructional days of the college quarter*	100%
From the sixth (6) instructional day through the twentieth (20) calendar day of the college quarter*	50%
No refunds after the first twenty (20) calendar days of the college quarter	0%

**Subject to administrative fee of \$6.00.*

There is no charge for dropping classes if no refund is involved. Allow at least two weeks from the time of payment for refund processing.

Financial Aid Refunds

Refunds to financial aid recipients will be refunded to the appropriate financial aid account as required by federal and state regulations, including those students who are dismissed for disciplinary reasons. Students may be required to return financial aid funds to the college if federal or state regulations require the college to do so.

International Refunds

International students who attend one of the Seattle Colleges on a visa and make advance payments must have enrolled at the college in the quarter for which they are requesting a refund and must provide documentation establishing extenuating circumstances, such as visa denial or medical reasons.

Intensive English Language Program Refunds

Withdrawal prior to 1st class	100%
During the first 5 calendar days	80%
From the 6th through the 14th calendar days	50%
No refund after the 14th calendar day	0%

Continuing Education Programs and Community Education Classes

North Seattle College and South Seattle College Refund Policy:

Before 48 hours prior to first day class* **100%**
**Subject to administrative fee.*

No refunds for cancellations within 48 hours of start of class or after class begins **0%**

Seattle Central College: **varies**

Due to the wide array of programs offered by Seattle Central's Continuing and Professional Education, refund policies are tailored to specific programs and courses. For specific refund information, call (206) 934-5476.

Other Refunds

Disciplinary Reasons: No refund will be given to a student who is dismissed from the District for disciplinary reasons. (Policy 605.30.4)

Failure to follow procedures: No refund will be given to a student who fails to follow official withdrawal procedures. (Policy 605.30.4)

Summer quarter, short or irregular courses: Shorter courses, programs and summer quarter will also be refunded, but on appropriately shortened time frames.

Lab Fees: Lab fees are based on consumption of supplies and materials. Those which are refundable will be refunded on the same schedule as tuition. (Policy 605.30.6)

Parking Fees: Parking fees will be refunded only in the case of 100% withdrawal from the college, in which case the fees will be refunded on the same schedule as tuition. (Policy 605.30.7)

TUITION WAIVERS

State Employees

Permanent Washington state employees working 50% of full-time equivalency (FTE) may register on a space-available basis using the State Tuition Waiver. For detailed information on this waiver, please contact your Human Resources department or go to this website: www.sbctc.ctc.edu/college/f_tuitionwaivers_stateemployees.aspx.

Waivers for Veterans

See Financial Assistance for Veterans, page 33.

Other Waivers

The Washington State Legislature has approved other tuition waivers. That information can be found by visiting the financial aid office at each of our colleges. There is preliminary information available at www.sbctc.ctc.edu/college/f_tuitionwaivers.aspx.

Student Progress

Grades & Transcripts

Student Progress

Students are expected to make satisfactory academic progress while enrolled at the Seattle Colleges. Academic progress is defined in terms of a student's grade point average (GPA) and how much time a student takes to complete a degree or certificate program. Time is a function of credits (or clock hours) attempted and earned. (District Policy 311)

Minimum GPA: A grade point average of 2.0 is required.

Credits Earned/Credits Attempted: Students enrolled in degree or certificate programs must, on a quarterly basis, successfully complete at least 75 percent of the credits or clock hours attempted when they reach a minimum of 30 attempted credits or clock hours.

Degree/Certificate Completion: Students who are enrolled in degree or certificate programs must complete their programs in at least 125 percent of the credit program requirements. Students who do not meet the above requirements may be subject to corrective actions.

Copies of these rules and procedures are available online at each college website:

seattlecentral.edu/registration/stu_prog_policy.pdf
northseattle.edu/policies/progress-and-grades
southseattle.edu/campus/progress.htm
sviweb.sccd.ctc.edu/c_policies.htm

GRADUATION Requirements

To earn a degree within the Seattle College District, a student must complete at least 90 credits and have a minimum cumulative grade point average of 2.0. At least 15 credits must be earned at the Seattle College granting the degree.

Graduation Process

Students nearing graduation must review graduation requirements with an advisor, faculty coordinator or division counselor (depending on each campus). After it is determined that the student will complete the coursework required, it is the student's responsibility to apply for the award. Applications are available in the Registration Office, Advising Office and division offices. Upon approval, the award will be issued. (Students must refer to their program of study for requirements for specific certificates and degrees.) Students apply to graduate during the quarter prior to the one in which the award requirements will be completed.

Transfer-In Credits and Graduation: Students must apply to have their transfer credits evaluated no later than one quarter prior to applying for graduation.

NOTE: With approval of the dean, students may elect to graduate either under the catalog in effect at the time they complete the graduation requirements or under the provisions of an earlier official catalog, provided that (a) not more than five years have elapsed since the student first enrolled under that earlier catalog and (b) the courses required for completion are still offered. The dean may make suitable substitutions in cases where courses are no longer offered.

Students are advised that if they graduate under an earlier catalog some current transfer requirements of four-year institutions may not be satisfied. Students are advised to contact the transfer institution for current requirements.

Academic RECOGNITION

Students are recognized for outstanding academic achievements through the Dean's List or President's List awards at the college they are currently attending. These awards are posted to the student's official academic transcript.

Dean's List: Students must have 1.0 or more credits per quarter at the college they are currently attending and a 3.5 quarterly GPA.

President's List: Students must have accumulated 30 or more credits at the college they are currently attending and have a 3.8 or higher cumulative GPA.

Phi Theta Kappa Academic Honor Society

Phi Theta Kappa International Academic Honor Society recognizes outstanding students who have achieved academic excellence at two-year public and private colleges. It offers students the chance to serve their campus and community while developing leadership skills. In addition to these benefits, Phi Theta Kappa members have access to scholarship opportunities which are not available to non-members. Each of the Seattle Colleges has a Phi Theta Kappa chapter and offers membership to students whose academic work meets the organization's standards. These awards are posted to the student's official academic transcript.

GRADES and CREDITS

Standard Grading System

The Seattle Colleges use a numerical grading system. Numerical grades may be considered equivalent to letter grades as follows:

A	4.0–3.9	C	2.1–1.9
A-	3.8–3.5	C-	1.8–1.5
B+	3.4–3.2	D+	1.4–1.2
B	3.1–2.9	D	1.1–1.0
B-	2.8–2.5	F	0.0
C+	2.4–2.2		

Many programs and individual course sequences require a minimum of a 2.0 grade in order to continue with additional courses or studies. Be sure to know the specific requirements for your courses, program or college-transfer major. Consult with your advisor or counselor.

Grade-point average (GPA) is determined by dividing total points earned by total credit hours attempted.

Non-traditional Grading Options

The following letter grade options are not universally accepted by other institutions and could jeopardize the transferability of courses and financial aid status. See your advisor.

I—Incomplete Indicates that the student performed at a passing level, completed most of the course requirements, and intends to make up the missing work. An Incomplete is given only at the discretion of the instructor when the student has attended regularly, done satisfactory work, and furnished satisfactory proof to the instructor that the work cannot be completed because of illness or other circumstances beyond the student's control. Coursework must be completed during the following quarter, excluding Summer Quarter. If the student fails to remove the "I" by completing the coursework in the specified time period, the "I" will remain on the transcript. The instructor must file a written statement of reasons for giving the Incomplete, listing a description of the work which the student will need to do to remove it, with the dean of the division in which the course is offered. If the student elects to repeat a course rather than make up the work, the "I" will remain on the transcript. The grade earned will compute in the GPA; after receiving an "I" in a course, a student may repeat that course only once.

S—Satisfactory With Credit Used for individual progress, clinical, and skill development courses. This symbol is not used for college transfer courses numbered 100 and above, except designated pass/fail courses as approved by the Office of Instruction.

N—Audit To audit a course means to register for and attend class without receiving a grade or credit. An "N" grade, rather than credit, is recorded on the transcript. Students must officially register to audit a course. Registration for an "N" may be made until the end of the 2nd week of the quarter without the instructor's signature or the end of the 8th week (6th week of Summer Quarter) with the instructor's approval and signature. Students are responsible for consulting with the instructor regarding class requirements. After an "N" is issued, the course may be repeated no more than one (1) more time. If the instructor's requirements for an "N" are not satisfied by the student during the course, the instructor may issue an "NC" (No Credit) symbol.

Students changing their status from audit to credit or credit to audit must make official changes within specific deadlines.

NC—No Credit Indicates that the student did not fulfill the requirements for receiving an "S" grade, an "N" grade or a numerical grade in the course. A student in good standing may request an "NC" symbol from the instructor prior to the final examination, granted at the instructor's discretion. After an "NC" is issued, the course may be repeated no more than one (1) more time. An "NC" does not affect a student's GPA.

W—Official Withdrawal This grade will be recorded and will remain on the student's transcript. After a "W" is issued, the course may be repeated no more than one (1) more time. (See "Adding or Dropping Classes" page 36).

Y—Ongoing Course Used for a course that is two or more quarters in length. The final grade for the course will be reported at the last quarter.

Repeating a Course

There are two situations in which a student may repeat a course. Both the initial course and repeated course must be taken at the same campus.

1. **GPA Improvement.** A credit course may be taken no more than two times total. Upon successful completion of a repeated course, the student can submit a formal request to the Registration Office to have the highest of the two decimal grades used in the GPA computation. Unless specifically requested, the first grade and the repeat grade will be averaged.

NOTE: The student will be credited only once for the class. It is the student's responsibility to notify the Registration Office when the repeated course is completed.

2. Multi-quarter continuous training courses use the same course number from quarter to quarter. In this situation credits earned are cumulative, and all grades are used to determine the GPA.

NOTE: Students planning to transfer to four-year institutions should be aware that many four-year institutions have strict policies on course repeats. Students should check with the Advising Office before repeating a class to determine potential course transfer difficulties.

Grade Errors or Changes

Report grade errors or grade changes immediately to the Registration Office. Grade errors or changes must be reported no later than the last day of the quarter which follows the quarter in which the grade was received, except a Spring Quarter grade may be reported through the last day of the following Fall Quarter. Students are encouraged to consult with their instructors before initiating a grade review process as outlined in the complaint procedure available through the office of the Vice President for Student Services at each college.

After a course grade has been assigned, supplemental or additional class work will not be accepted for the purpose of changing that grade except in the case of an "I" (incomplete) grade.

NOTE: Students must complete the coursework as directed by the instructor during the following quarter (excluding Summer Quarter).

Transferring Credits from Other Colleges

For students pursuing a degree or certificate, an evaluation of incoming credits request may be submitted after transcripts from other institutions are received. Students will be sent a copy of their evaluated coursework.

Limitations on Transfer of Courses or Credits

Transfer credit is not normally awarded for the following types of study or coursework: (1) courses taken at colleges or universities that are not regionally accredited; (2) non-credit courses and workshops; (3) remedial or college preparatory courses; and (4) sectarian religious studies.

Also see the Reciprocity Agreement for College Transfer Programs on page 11.

Credit by Examination & Credit by Work Experience

Colleges may award credit by examination to a student not formally enrolled in a class by requiring the student to pass a comprehensive examination on the subject matter of the course. Individual programs at individual colleges may offer credit for work experience.

Students must have completed a minimum of 9 residence credits with a GPA of 2.0 or better before applying for credit by examination. Credits earned by examination or work experience shall be graded and each division or department will determine the minimum grade standards for granting credit by examination.

The charge for taking an examination will be in addition to the tuition and fees paid for regular college enrollment. The charge may vary, but shall not exceed the standard resident tuition and operating fee charged for the number of credits earned, excluding the services and activity fee.

Credits earned by examination will be noted as such on the transcript. Credits by examination and by work experience may not exceed 25% of the necessary credits for a degree or certification. Credits earned by examination are not considered residence credits.

TRANSCRIPTS

Official, sealed transcripts are required by other institutions when students transfer. Official transcripts (a copy of a student's permanent academic record) must be requested in writing from the Registration Office of the college where the classes were taken or online at http://www.studentclearinghouse.org/secure_area/transcript/to_bridge.asp. Allow two working days for processing. The current transcript fee is \$4.50 (for 2014-2015—subject to change). College websites have current fees. In compliance with the Family Educational Rights and Privacy Act of 1974, grade transcripts will be released only upon written request.

Students can get an unofficial transcript at no cost, via Student Online Services at the college website. Transcripts will not be released if students have not fulfilled all financial obligations to the college.

GED transcripts (copy of test scores) must be requested in writing from the campus Testing Office and must include the student's social security number and signature. Check the college website for current GED transcript fees.

STUDENT RULES

Responsibilities & Right to Know

RECORDS

Confidentiality of Records (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. & 1232g; 34 CFR Part 99)* is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Information about Seattle Colleges students is collected, maintained, and used to meet the college's educational objectives. Students are protected against improper disclosure of their records. These rights begin the first day of class and extend to all former students.

**Amended in November 1996 by the Improving American Schools Act of 1994.*

Student Rights and Educational Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. A student should submit a written request that identifies the record(s) the student wishes to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected.

If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record, as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of a right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure with our consent. The College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted or is assigned to provide a service instead of using College employees or officials (such as an attorney, auditor, collection agent, or a clinical, intern, or extern site); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.

In addition, upon request, the college discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office administering FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave. SW, Washington, DC 20202-5901.

Disclosure of Student Directory Information

The College may disclose the following directory information unless a student affirmatively submits a written notice to the Registrar's Office requesting his/her directory information not be released. Directory information includes:

- Student's name
- The act of enrollment in the college
- Date(s) of enrollment
- Division or area of study
- Awards granted to the student by the college
- Participation in officially recognized activities in sports
- Weight and height of athletic team members
- Email address

Exceptions

For more information on exceptions to the requirement, see Policies and Procedures 380. Student Records at seattlecolleges.edu/DISTRICT/currentstudents/studentrulescs.aspx.

Additional Information

For more information regarding student rights, students should contact the Registration Office on each campus.

Student Identification Numbers

Student identification numbers are used in college transactions. Students are assigned individual student identification numbers (SID numbers) for use in college transactions such as web-based services and other student services. To comply with federal laws, the colleges are required to ask for the student's Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). Colleges use the SSN/ITIN to report American Opportunity Tax Credit or Lifetime Learning tax credit, to administer state-federal financial aid, to verify enrollment, degree and academic transcript records, and to conduct institutional research. Pursuant to state law (RCW 28B.10.042) and federal law (Family Rights and Privacy Act), the college will protect the student's SSN from unauthorized use and/or disclosure. If a student does not submit a SSN/ITIN, the student will not be denied access to the college; however, the student may be subject to civil penalties (refer to Internal Revenue Service Treasury Regulation 1.6050S-1(e)(4) for more information).

BEHAVIOR, ENVIRONMENT & PHYSICAL SAFETY**Campus Security Offices**

Students should use the same caution as they would in any public place in taking care of their personal safety and personal belongings. Campus safety-security offices provide helpful information for the campus community.

Call 911 for serious emergencies.

Central (206) 934-5442
North (206) 934-3636
South (206) 934-5157
SVI (206) 934-4933

Safety & Security

Students are obligated to respect the rights of others and to refrain from any actions endangering the health, safety, and welfare or property of others. Students are expected to comply with the policies, procedures and regulations approved by the Board of Trustees and with Washington state and federal regulations.

For additional information: www.seattlecolleges.edu/DISTRICT/prospectivestudents/studentrules.aspx

Campus Crime Data

Statistics on criminal incidents, as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, are available at college safety/security offices, as well as on individual campus websites. For the last three years, campus crime data, along with general information, is provided by the Office of Postsecondary Education of the U.S. Department of Education: www.ope.ed.gov/Security.

Accidents

The students' well-being and safety are of utmost importance. It is vital that everyone follow strict safety procedures recommended in all classes, particularly professional technical classes. In the event of an on-campus accident or injury, students and faculty should report the accident to the Security Office so the injury can be addressed and an accident report completed. Do not hesitate to immediately call 911 for serious injuries. Instructors must be notified if the accident occurs during class.

Alcohol and Drugs

Alcohol and drugs are prohibited. The district prohibits the abuse of alcohol and the unlawful manufacture, distribution, possession and use of illicit drugs. This policy applies to all employees and students of the Seattle Colleges while they are on District property or while they are conducting college business, regardless of location. To provide a healthy, safe, and secure working and learning environment, each employee and student of the Seattle College District is expected to be in an appropriate mental and physical condition to perform assigned duties and fully participate in the learning process. Seattle College District Policy 249 ("Drug-Free Workplace"), and resources for students and employees who need assistance with substance abuse problems, are outlined in a brochure available on each campus and at seattlecolleges.edu/policies.aspx.

National Institutes of Health provide a list of drugs and their dangers and effects: <http://www.drugabuse.gov/drugs-abuse>.

Firearms

The possession of firearms on campus is not allowed.

Workplace Violence/Hostile Work Environment

Workplace violence or a hostile work environment will not be tolerated at the Seattle Colleges (District Policy 451).

Sexual Harassment

The Seattle College District is committed to providing a working and educational environment that is free from sexual harassment of any kind. It is not tolerated at any District institution.

All employees and students have the right to a working and educational environment free from sexual harassment.

This institution defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Employees and students are encouraged to report their concerns or complaints about sexual harassment. Retaliation against any individual for making a complaint about or cooperating in a sexual harassment investigation is not permitted.

Student complaints regarding sexual harassment shall be processed in accordance with District Policy and Procedure 419.

Smoking

Smoking is prohibited indoors, and within 25 feet of the entrance to any public building, per Washington state law.

Traffic Laws

State motor vehicle laws and the Seattle traffic code apply to campus traffic. The campus speed limit is 15 miles per hour unless posted otherwise.

Disciplinary Action

Disciplinary action will be taken against students who violate standards of conduct established by the college. If informal procedures do not resolve the issue, formal committee proceedings may be initiated.

HIV/AIDS**Transmission of HIV and Prevention of AIDS**

To ensure the health and well-being of our college community, and to be in compliance with state codes, the Seattle Colleges provide the following resources for information about transmission of the Human Immunodeficiency Virus (HIV), the causative factor leading to Acquired Immune Deficiency Syndrome (AIDS).

Complete and current information about specific risk factors for HIV/AIDS is available at the Seattle/King County Department of Health.

HIV/AIDS Program
400 Yesler Way, 3rd Floor
Seattle, WA 98104
(206) 296-4649

Information about HIV and AIDS can be found at:
<http://www.kingcounty.gov/healthservices/health/communicable/hiv/basic/FAQ.aspx>

EMERGENCY PREPAREDNESS & COMMUNICATIONS

The Seattle Colleges work together to develop and share procedures and communications tools for use during unforeseen emergencies. Because the safety of students and staff is of greatest concern, a variety of systems are now available at each campus, and safety measures are reviewed and expanded on an ongoing basis.

Among resources available to students, faculty and staff is SeattleColleges Alerts, which is powered by Rave Mobile Safety. These alerts allow the colleges to communicate quickly with students and employees during weather-related delays, closures and other campus emergencies, by sending alerts to computers and mobile devices, via email and text message.

Learn more about SeattleColleges Alerts by visiting seattlecolleges.edu/alerts.

For more information about emergency communications and contacts, preparing for an emergency, and procedures for closure at the Seattle Colleges: seattlecolleges.edu/emergencies.aspx.

District-wide INFORMATION & POLICIES

Equal Opportunity Statement and Accommodation for District Students and Employees

The Seattle College District, which includes Seattle Central, North Seattle and South Seattle Colleges and Seattle Vocational Institute, is committed to the concept and practice of equal opportunity for all its students, employees, and applicants in education, employment, services and contracts, and does not discriminate on the basis of race or ethnicity, color, age, national origin, religion, marital status, sex, gender, sexual orientation, gender identity, status as a veteran or disabled veteran, political affiliation or belief, citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or presence of any physical, sensory, or mental disability, except where a disability may impede performance at an acceptable level. In addition, reasonable accommodations will be made for known physical or mental limitations for all otherwise qualified persons with disabilities. Inquiries regarding compliance and/or grievance procedures may be directed to the college's Title IX/RCW 28A.640 officer and/or Section 504/ADA coordinator.

TITLE IX/CHAPTER 28A.640 RCW OFFICER

Disability Support Services Offices

Disability Support Services Offices provide physical and programmatic accommodations to persons with documented disabilities. This is carried out within the overall goals and mission of the Seattle Colleges Policy and Procedure 387 “Reasonable Accommodations for Students with Disabilities.”

Legal Authority: U.S. Americans with Disabilities Act P.L. 93-112) and RCW 49.60.

To be eligible for disability-related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

On each campus, Disability Support Services is the designated office that obtains and files disability-related documents, certifies eligibility for services, helps determine academic adjustments, and consults for the provision of such accommodations. Academic adjustments are provided to ensure access to all college courses, programs, counseling, activities, and facilities.

Disability Support Services provides or arranges a variety of auxiliary services to the college, such as sign language interpreters, assistive technology, exam modifications, and academic assistance. Auxiliary requests such as Braille or books on tape need to be requested at least 6 weeks in advance. There may be a delay in services with less notification. Request for interpreting services with less than 4 weeks notice for ongoing classes can result in delayed services. At least 3 business days are required for special requests/one time services and at least 7 days notice for high profile events.

The Disability Support Services Office offers consultation to faculty, staff, and classified employees of the college for the purpose of designing accommodations that provide equal access to otherwise qualified students regardless of age, gender, race, or sexual orientation. See seattlecolleges.edu/adacs.aspx.

Title 38/Title 10

Seattle Colleges academic programs of study are approved by the Higher Education Coordinating Board's State Approving Agency (HECB/SAA) for enrollment of persons eligible to receive educational benefits under Title 38 and Title 10, U.S. Code.

COMPLETION & TRANSFER RATES

Statistics and information on Completion and Transfer Rates at the colleges are available on these websites:

Central: seattlecentral.edu/brandcentral/quickfacts.pdf

North: northseattle.edu/about-north/college-statistics

South: southseattle.edu/campus/studentstats.htm

District: seattlecolleges.com/DISTRICT/currentstudents/studentrulescs.aspx

The official rules for students at the Seattle Colleges can be found in the Washington Administrative Code, Chapter 132F-121 WAC – Student Activities, Rights and Discipline. The Washington Administrative Code (WAC) is the official compilation of all current rules that have been adopted by state institutions of higher education and other state administrative agencies.

District Policies Relating to Students

Seattle College policies may be viewed at seattlecolleges.edu/policies.aspx.

Every reasonable effort has been taken to ensure the accuracy of this information. However, readers are encouraged to contact the individual Student Services departments at each college for further information.

Student Progress (Academic)

See page 39.

Student Complaints

The Seattle Colleges have established procedures to assist students who feel they have a complaint relating to grades or an action by a member of the college community.

Before pursuing formal action, students are encouraged to first pursue an informal resolution. Students have 15 calendar days from the end of the informal process or within 90 days of the cause of the complaint to submit a formal complaint. Contact the respective Complaints Officer at each campus for further information.
